

WOMAN'S CLUB SLATES RUMMAGE, OTHER PLANS

Plans have been completed by Mrs. Earl A. Miles and her committee for a two-day rummage sale to be held tomorrow and Saturday in the former Torrance Herald building, 1336 El Prado.

Mrs. Miles urges cooperation from every club member to assure the success of this ways and means project.

Reservations are being taken until Saturday, February 11, for the club-sponsored tour of a Los Angeles bakery, set for Wednesday, February 15. A chartered bus will leave the clubhouse at 11:30 and luncheon will be served soon after its arrival at the bakery. Everyone is invited. A charge of \$1.25 will cover luncheon and transportation costs. For more information, call Mrs. J. N. Burton.

With March 18 set as the date for the annual carnival, the various committee chairmen are busy with plans.

Donations are needed for the booths and for the linen chest, a project begun last year which is to be repeated.

Pandora Club Hears Talks On History

During the Walteria Pandora Club meeting held Thursday night, members were enlightened with several educational features.

Mrs. Joe Vaverka and Mrs. T. M. Kirk were hostesses for the meeting in the Walteria Recreation Hall.

Mrs. George Powell, vice president, presented a lesson on parliamentary law.

Mrs. Frankie Stevens, historian, gave a short talk on "Bread and Its Relation to History" and Mrs. J. J. Snow, secretary, gave a resume of the history concerning State flags.

Plans were outlined for a fall bazaar and each member was asked to take an spoon to the next meeting as a starter for the Pandora Bazaar Box.

The yellow rose was selected as the club flower and orchid and gold for the official colors.

Mrs. Snow volunteered to make club program booklets for each member. Special guests at the meeting were Mrs. Carl Coombs of Walteria and Mrs. Robert Slesch of Torrance.

Following the business meeting Mrs. Kirk and Mrs. Vaverka invited the guests to find their places at the gaily-decorated tables which were placed in the formation of a "W" with the centerpiece representing the "tree of life." Streamers from the tree to each place were carried through a birthday ring to a horseshoe, birthstone, and flower in honor of each individual.

"The Old and the New" was the title of a poem read by Mrs. Dale Wands, and Mrs. Paul Pendleton read a poem, "New Year's Thoughts."

Following the serving of refreshments the club members departed with the memory of a delightful meeting held in a very desirable place for this growing club.
