'Soul' Topic of Science Sermon

The Golden Text of the Sunday Lesson-Sermon on "Soul" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, is from Psalm: "O bless our God, ye people, and make the voice of his praise to be heard: which holdeth our soul in life, and suffereth not our feet to be moved."

In Luke's Gospel it is reported that Jesus "entered into the synagogue and taught; and there was a man whose right hand was withered. And the scribes and Pharisees watched him, whether he would heal on the Sabbath day; that they might find an accusation against him. But he knew their thoughts, and said to the man which had the withered hand, Rise up, and stand forth in the midst. And he arose and stood forth. And looking around about upon them all, he said unto the man, Stretch forth thy hand. And he did so; and his hand was restored whole as the other."

Evangelism Day Observed

"Do the work of an evangelist!" That will be the message of Rev. U. S. Schauer in his 11 a.m. sermon at the Central Evangelical United Brethren Church at Marcelina and Arlington avenues Sunday as part of Evangelism Sunday observed throughout the denomination.

The grounds of brotherhood and the points of agreement between various faiths will be explored in Rev. Schauer's sermon, "One God, the Ways We Worship Him," at the church's unified service at 7 p.m. An adult forum and youth fellowship will follow this service at 7:45 p.m.

Christ Subject Of Sermon

"Christ the Molder of Men" will be the subject of Sunday's sermon by Rev. B. Johnson Roemtsma, pastor of the Lomita Presbyterian Church at 245th street and Woodward avenue.
