Minnesota Guest Feted on Birthday

Mrs. Sophie Olson of Ada, Minnesota, who has been the guest of Mr. and Mrs. Louis Johnson at 1839 W. 262nd street since last January, was feted on the occasion of her birthday Friday with a luncheon and birthday party at the Johnson home.

Early sweet peas centered the luncheon table which was spread with a lovely linen cloth and a delicious repast complete with the usual Norwegian dishes was served by the hostess.

Many of the guests remained until the evening hours visiting with Mrs. Olson and the Johnson family.

In the guest group were Mesdames L. Larson, Edna Cole, J. Herringer and Carl Christiansen all from Ada, Minnesota and visiting in the Southland; Mr. and Mrs. Erik Kolnes and Harold Clausen of Seattle, Washington; Mr. and Mrs. Sam Serigstad of Downey; Borghild Kolnes and Nola Whiting of San Pedro; Tina and Ida Johnson of Lomita; C. Hubert, Ingrid Lundh, Mesdames O. Holland, R. Gustafson, T. Smith, Margaret Peres of Lomita; Mrs. Hannah Threadgold of Glendale; Mr. and Mrs. Johnson, the hosts, and Mrs. Olson, their house guest.

Homer Greene to Address Garden Club

The Redondo Beach Area Branch of the American Begonia Society will meet March 24 to hear Homer Greene of Whittier talk and present colored slides on roses and lawns.

Members from Lomita and their guests will remember hearing Mr. Greene when he spoke before the Lomita Fuchsia Club and they will not want to miss this meeting.

Harry Marshall, state president of the Fuchsia Society, will be in charge of a gift table with members to donate gifts of any kind, fruits, jellies, cookies or other articles. The regular plant sale will follow the meeting.

The branch meets at 1620 Pier avenue, Hermosa Beach.

Mr. and Mrs. Z. H. Klawans and family of Monterey visited with the Donald Dominoski family at 1512 W. 252nd street, Harbor City, during the past week.

The dinner hour should not sound like a psychiatrist's clinic hour.

A husband is the one you say everything to twice, unless enumerating his good points.
