

Homes for Sale 84

RABBIT FARM
Has 82 1/2 ft. frontage on Figueroa St. and is 641 ft. deep. This is truly a fine location for a rabbit business. It has over 200 rabbits now. But there is enough equipment for several times that many. The house is a very neat 2-bed room which has been well cared for. There is also a nice little house for the hired man. (You probably will need some help to count the rabbits.) The full price is only \$2200. Rabbits have sold. Price now \$9000.

A GOOD HOME
In a Good Location
See this very fine 3-bedroom home on large corner lot. We feel this is an exceptional buy. It is not a new house, but it will outlast some of the newer ones. This home has been very well kept and is one you will be proud to own. We only ask that you come in and see this lovely home and make your own decision as to its value. You won't find a better deal in Torrance for \$8500. Takes \$3000 down to handle.
