

**LOADED DOWN . . .** Nineteen-year-old Ronny Hazelwood has an armload when he packs his recently won trophy around town. He is still looking around the house for a place big enough to set it down, he says. He picked up the little moment when he rolled a perfect score of 300 last January in a league game. He got a lot of other things, too, but can't carry 'em all at once.

### Warriors Beat Orange Coast JC

Two home runs from the bat of El Camino's Paul Held put his team on the way to victory last week as the Warriors pounded out a 7-0 victory over the strong Orange Coast Junior College at Santa Ana Air Base.

While the Warriors were pouncing out a total of nine hits, pitchers Jack Ritter and Don Young teamed up to pitch two-hit ball to the Orange Coast gang.

The day before, the Blue and Grey had pounded out a 7-3 win over the Loyola frosh on the Alondra diamond.

### Jordan Halts Seahawks' Hopes

Long Beach Jordan High School blasted Redondo's pennant hopes last week when it took a 1-0 decision from the Seahawks at Clark Stadium.

Redondo pitcher Jim Rice was credited with the loss although he allowed but two hits. Jordan's one run in the sixth was unearned.

Score by innings:  
L.B. Jordan . . . 000 001 0-1 2 1  
Redondo . . . . . 000 000 0-0 3 2

### Police Lose To Giants, 10-9

Torrance Police lost a 13-inning baseball game to the Harbor Giants Sunday before the largest crowd to watch a ball game this season.

Timely hitting in the clutches by both teams, provided the spark for the afternoon crowd. Swayne Johnson was king for a minute when he blasted a home run over the left field fence with the bases loaded. He collected two other hits to share hitting honors for Torrance with Caldwell.

El Camino trackmen will travel to San Diego Friday to match strides with Valley, Harbor, and San Diego.

The squad is expected to make a better showing in San Diego than they did last week in the Third Annual Southern California Junior College Relays when they picked up only two points.

On Tuesday, the squad will go to Santa Monica for a dual meet with that school.

### Warrior Track Squad To Go to San Diego

El Camino trackmen will travel to San Diego Friday to match strides with Valley, Harbor, and San Diego.

The squad is expected to make a better showing in San Diego than they did last week in the Third Annual Southern California Junior College Relays when they picked up only two points.

On Tuesday, the squad will go to Santa Monica for a dual meet with that school.

Torrance wrestling fans will get something new in the way of matches tonight when the Optimist Club sponsors a whole bunch of men in what is known as a tag team match.

Actually, a tag team match is supposed to be a team of two against a team of two, with half of the team resting while the other half works an opponent over on the mat.

It seldom happens that way, however. More often than not, all four men will be in there gouging, hitting, digging and thumping each other like nobody's business.

Lined up for tonight's main event are two little men who will test their luck against two big men.

Billy Varga and Maurice La Chappelle, junior heavyweights, will trade grips with Chris Zaharias — who was in town a couple of weeks back — and Al Wolfman. Both are full-blown heavies, but should find that they will need all their extra weight against the shifty junior heavies.

Varga and La Chappelle are supposed to have the art of wrestling figured down to a science, and both have worn the junior heavyweight crown recently.

Zaharias and Wolfman will have generous amounts of weight to throw into the ring against the scientific boys.

Dave Lebin, one-time heavyweight champion and still a top-ranker, will tie into Hal Keene in the semi-windup tonight. Vic Christy will meet Frankie Taylor in the 8:30 one-fall preliminary.

Tonight's menu of mayhem is the third in the bi-weekly wrestling shows promoted by the Torrance Optimist Club. Delbert Vaughn, the Optimist in charge of the project, reports that Torrance is really going for this entertainment.

### City to Build Another Office

An office building to house the expanding recreation department was in prospect following last week's council meeting.

A call for bids for the construction of such an office between the Civic auditorium and the Chamber of Commerce building was authorized.

City Manager George Stevens said the estimated cost of the new building is \$6000.

The building will be designed so that it will conform to the architecture of the two adjoining buildings.

### Champ Golfers Drop Two of Three Matches

Coach John Morrow's defending Metropolitan conference champion golf contingent dropped two of its three practice tilts last week.

The Warrior clubbers fell before Pasadena 17-1, beat Fullerton 12-6, and lost a 15-3 tilt to Muir.

The El Camino golfers will host East Los Angeles tomorrow on the Ingleswood Country club links.

It will be the final Metropolitan conference meet.

**BATTER UP . . .** Pitchers in the Y-Teen Club games won't have to worry too much about the new balk rule enforced in most of the professional ball clubs this year. You see, the kids just play for fun — and real fun it is.

### Play Starts in Midget League

Play got under way Tuesday in the Normont midget base-

ball league, which is sponsored jointly by the Los Angeles City Department of Recreation and Parks and Hardy McKay's Union Station.

Fourteen teams are entered in the circuit, which is being played off on Tuesdays, Wednesdays and Fridays.

**YER OUT! . . .** Y-Teen Club softballers are getting limbered up for the summer season when softball comes before eating with hundreds of the younger set around town. In fact, the same could be said of many of the "older" set, witness the many softball leagues which have been or are being formed by various groups in the city.

### Jalopies Go Again Sunday

Jalopies, refreshed after two weeks of inactivity, will be back at the Carrell Speedway Sunday afternoon.

Leadfoot Lou Figaro, who smashed his car a few weeks back in a dizzy, end-over-end flip, will be back with a new machine to give the other pilots a race for the flag.

Jalopy jockies scheduled to be on hand for the struggle include such favorites as George Seegar, George Amick, Bussy Taylor, Cowboy Lyons and Kenny Parks.

Time trials start at noon.

**BOTTOMS UP . . .** Lou Figaro shows how to end a race the hard way. Leading with only eight laps to go on his last time out, Figaro cracked up his jalopy to take him out of the race. He will be back Sunday with a new job, Carrell officials promised this week. They race on the "B" track.

**FEDERAL OWNED LAND**  
National parks, forests and Indian reservations occupy one-fourth of the area of Wyoming.

### Tennis Tourney Deadline Nears

Frank Carpenter, the city's new recreation director, has announced that Torrance tennis players will be eligible to enter the Fourth Annual South Bay Tennis Tournament to be held at Hermosa Beach beginning April 29.

The tournament will be run in four classes, men's singles, ladies' singles, men's doubles and mixed doubles.

Deadline for entries is Tuesday, April 25, Carpenter warned.

Interested players can pick up entry forms at the recreation office, located at the City Hall.
