Auto Show**

**ALL DAY & EVENING
Saturday & Sunday**

It is with a great deal of pride and personal satisfaction that Paul's Chevrolet formally opens its doors Saturday morning . . . and invites your inspection of one of the most beautiful homes of Chevrolet in all California.

It marks our Third Anniversary in Torrance . . . for it was only three years ago we opened temporary quarters in the old tin barn back of our present home.

It marks too . . . our twenty-seventh year with Chevrolet . . . and to mark that date . . . we have a 1923 Chevrolet all slicked up for your inspection setting along side of all the fourteen different 1950 Chevrolets. . . .

MANY THANKS TO YOU!

An invitation for you to visit us now upon this great occasion would not be fitting without a personal word of thanks for the wonderful treatment you folks have given us during the last three years. Mere words can not express our appreciation . . . but we do say—THANK YOU, THANK YOU, THANK YOU!
