Loan Company Opens Office In Torrance

Public Loan Corporation, a national consumer finance organization, announced this week the opening of a new loan office at 1623 Cravens avenue.

Carl L. Bilstein, formerly senior assistant manager of the company's Anaheim office, will manage the new Torrance location.

"It has been my ambition to take charge of this new office ever since I learned that one would open here," Bilstein remarked, "and I am anxious to show the people in this area loan service at its best," he said.

"This company has worked out a number of plans which have helped people all over California," Bilstein stated. "We now want to extend the benefits of our financial experience to others," he pointed out.

Bilstein, who is married and has a year-old daughter, has made his home in Long Beach. He served in the Army during the war until November 1945.

Public Loan Corporation has six other offices in the Los Angeles area, with a total of 20 offices in California. The California Division is headed by Floyd W. Lyman of Hollywood.
