ONLY THE **66** REFRIGERATOR STAYS SILENT, LASTS LONGER

Come see the famous Servel Gas Refrigerator—only refrigerator that stays silent, lasts longer. Its freezing system has no moving parts. Just a tiny gas flame does the work.

Over 2,000,000 have Servels (many of them 18 and 20 years). They say, "Pick Servel. It stays noise-free, wear-free."
