Hollywood Opening Set For Station

All the folderol and whoop-de-do of a Hollywood premiere will signal the official grand opening of a new "super-type" self-service station at 1518 Cabrillo this coming Friday, Saturday and Sunday.

Opening under the Golden Eagle banner, the new station, owned by Mike Rino and Joseph Labornia, will employ the use of searchlights, balloons for the kiddies and other special offers to let Torrance and nearby residents know that it is in business.

Mike Rino will be actively in charge of the station, the owners said this week. He comes to Torrance from Inglewood, where he has been in the service station business for the past 10 years.

The new station boasts 12 gas pumps as well as lubrication, tire and battery service, Mike and Joe said.

Dogged Man's Luck Changes

Perhaps the long line of bad luck which has been dogging Linden Chandler, for the past year has at last been broken.

Last summer a youngster drowned in a sand pit owned by Chandler. Then followed two accidents in which one of his workers at Chandler's Palos Verdes Sand and Gravel Company was burned, and another worker hurt in a fall. Chiraxing his string of bad luck was the death of his superintendent last February in a spectacular sand cave in.

Turn in his luck came Friday, June 2.

He won the door prize at the Torrance Area Youth Band's Annual Concert.

The door prize! A 1950 Ford—piece de resistance of the Youth Band's Fourth Annual Fund Raising Campaign.

The awarding of the prize was made during the staging of the anniversary concert in the Torrance Civic Auditorium. Featured in the concert was Lucien Callet, chief arranger and conductor of the Ballet Russe de Monte Carlo. He conducted two of his own arrangements: "Lady of Spain" and "Die Fledermaus Overture."

The band presented also "Carnival of Roses" overture, "Amperito Roca," "In An 18th Century Drawing Room," "My Hero" from the Chocolate Soldier and a trombone duet entitled "Friends," played by Dale Whisler and Bob Smith.

Forrest Meyers, president of the youth organization, stated that although the parade held May 29 and last Friday's concert were hailed as the best in the past four years, the campaign fell short of its goal.

"Actually the campaign has left us with an \$800 debt," Meyers said. He said, however, that contributions to the band's uniform and instrument fund drive still would be accepted.

Rites Held For Steel Employee Here 20 Years

The Stegelmeiers have been residents of Torrance for the past 23 years, and for 20 years he was employed at the Columbia Steel plant here.

Burial in Inglewood Park Mausoleum followed the final rites Monday.
