THE GAS REFRIGERATOR
SILENT, LASTS LONGER

See the famous Servel Gas refrigerator—only refrigerator that stays silent, lasts longer, freezing system has no moving parts, just a tiny gas flame as the work.
Over 2,000,000 have Servels (many of them 18 and 20 years). They say, "Pick Servel. It stays ice-free, wear-free."

Kettler Kapers

By LEONA and AL WIMMELL

(Editor's Note: The editors regret that this is to be the last column submitted by Al and Leona Wimmell. Al, who is a playground director for the County of Los Angeles, has been transferred to the Verdugo Playground and feels that he will not be able to devote the time necessary to keep up with the happenings in his community now.

Anyone interested in continuing the Kettler Kapers column in the Herald may contact the editor at Torrance 444.

HI NEIGHBORS! The arrival of Meredith Jan Grubbs was a dream come true for Dr. and Mrs. William E. Grubbs, 23228 Falena avenue, and their two sons, David and Mark. The little lady was born Wednesday morning at Torrance Memorial Hospital, tipping the scales at a healthy 7 pounds 10 ounces. Dr. Grubbs, as proud as any father anywhere, brought his wife and daughter home to Kettler Knolls Sunday noon.

Mark Grubbs rolled on the lawn with joy at the news that he had a baby sister. Happy as only a 4-year-old can be, he went shopping with his grandmother, Mrs. Edith Radcliffe, and decided to celebrate with his favorite fruit, but had forgotten the name of it. "Well," he said, "it's big and it's little, and it's red and it's yellow, and it has a stone in it." She bought him the apricots.

A SING for High School age young people will be held at 8:45 Sunday evening by Rev. and Mrs. Robert H. Coburn at their home, 2378 Martha street. Refreshments will be served.

Mrs. Coburn gave a birthday luncheon at her home Wednesday noon honoring Mrs. Warren Naslund, 1761 Marinette street.

A SHOWER was given Friday evening by Mrs. Camilla Helphand, 2109 Middlebrook road, who adopted an eleven-day-old baby, Eva Katherine, on May 30. The home was appropriately decorated with arrangements of carnations and daisies, and a big stork held sway over a table covered with beautiful gifts. Games were played, the gifts were presented, refreshments were served and everyone had a fine time.

Guests attending the gala affair were Mesdames Agnes

Harvey, Betty Tronsier, Lillian Johnston, Betty Morehead, Velma Piercy, Wilma Brown, Gloria Hixson, Jean Loy, Margaret Beaver, Carmen Neilson, Mary Cummings, Freda Fagan, Annette Welde, Ollie Grant, Clara Inlow and Miss Shirley Inlow.

ENTERTAINING RELATIVES this week are Mr. and Mrs. Don Kelley, 22944 Walnut avenue. Their guests are Mr. Gene Loper and his mother, Mrs. Stanley Loper, of San Luis Obispo. Mr. Loper has been with an oil company in Uruguay, South America, for two and a half years and has many tales to tell and souvenirs to show the Kelleys' two sons, don and Darel.

KETTLE KNOLLS was well represented at the canasta party held at the St. Andrew's Episcopal Church Wednesday evening, June 7. Proceeds were given to the YWCA to help send girls to summer camp. Those attending from this area were Mesdames Georgia Stroub, Bernice Moore, Jane Lockett, Ruth Bueche, Toby Cooper, Vivian Wise, Robert Williams and Leona Wimmell. Prizes were won by Mrs. Cooper and Mrs. Wise.

THE PICNIC FUN was marred somewhat for Mr. and Mrs. Willis Stroub, 23308 Falena avenue, when their 5-year-old son, Johnny, almost drowned in a wading pool. It was a big affair at White Oak Park near Chatsworth Saturday, with about 300 Gillfillan Brothers employees and their families present. There were games, races, dancing, softball and everything that goes with a big picnic, but little Johnny chose to kick around in the wading pool. He stumbled and fell twice—the third time he did not get up! His mother, Mrs. Georgia Stroub, ran to the rescue, pulled him out and gave artificial respiration aided by a former life guard who rushed to the scene. Then they induced Johnny back into the pool to overcome his fear of water, but somehow the water was not nearly as attractive as it had been.

Interviewed by your reporter, Johnny turned to his mother and said, "I drowned, didn't I?" "No, not quite," she replied. Whereupon Johnny corrected his story for the press, stating, "I not quite drowned."

A CANASTA PARTY was given Monday evening by Mrs. Fred Wise, 1726 235th street, for a group of about 40 friends and neighbors. The guests admired the Stanley demonstration, enjoyed the popular card game and the refreshments which climaxed the evening's entertainment.

A VACATION TRIP to Kansas, Missouri, Arkansas and Oklahoma to visit relatives, starting July 1, is being planned by Mr. and Mrs. Glen Mattox and daughter Karin, of 1767 Santa Fe avenue.

A WEEKEND TRIP to Ramona, California, was greatly enjoyed by Mr. and Mrs. Dick Cartrell and daughter Jodie, 1815 Marinette street. They joined other friends in a visit at the home of Mr. and Mrs. J. Payne.

TEXAS BOUND are Mr. and Mrs. Edgar Bell and son Donald, of 23305 Falena avenue.

Walter's Library circulation for the past three months was as follows: March, 2,540; April, 2,318; May, 2,051. This shows a marked decline in the number of books issued, however, during the same period a year ago; the circulation was: March, 2,335; April, 2,171; May, 1,329. This shows an increase of 1,083 volumes during the present year.

They will leave Friday on a two weeks' vacation to visit friends and relatives in Dallas.

VACATION ENDS Mrs. Minnie Foreman of 1322 1/2 Engracia avenue returned Sunday from several weeks' vacation in Oklahoma and Texas. At Enid, she was the house guest of her son-in-law and daughter, Mr. and Mrs. John Deel and later she visited a brother in Oklahoma City. She also was entertained at the Amarillo home of Mrs. John Dickinson, who accompanied her to Torrance for a summer-long visit.
