### Famed Red Ryder To Appear Here Under Big Top

Red Ryder and his famous horse, "Thunder," will appear in person at the Six Brothers Circus to play a one-day benefit in Torrance on Monday, June 26, according to Mervyn Porter, president of the Torrance Police Officers Association.

The circus is sponsored by the non-profit group to raise funds to help support the association-sponsored youth group—the TAPS.

Two performances will be held during the one-day show, with a matinee at 2:30 p.m. and an evening show at 8 p.m. Both performances will be held under the big top to be erected at 220th street and Western avenue.

In addition to the famed western hero and his horse, there are the thrilling Daltons, high wire performers; Hop Henry and his dogs and ponies; The Great Elston, slack wire performer; the eight beautiful girls who do the ballet high in the tent; famed clown Billy Lehr and his troupe of funny men; the bounding Pauls, Estelle and her Liberty Horses, and many others.
