CATCHING UP

The women's clubs have once more launched their fall programs, and in the smallest communities where there are no newspapers, the first few meetings are devoted to the more important duty of catching up on the choice tidbits that have slumbered over from the summer.

Fools admire, but men of sense approve.—Alexander Pope.

"Christian Science" is the Sunday Bible Lesson subject in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston. The Golden Text is from Isaiah: "How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace, that publisheth good tidings of good, that publisheth salvation."

Philip said unto Jesus, "Lord, shew us the Father, and it sufficeth us, Jesus saith unto him, Have I been so long time with you, and yet hast thou not known me, Philip? he that hath seen me hath seen the Father; and how sayest thou then, Shew us the Father? . . . the words that I speak unto you I speak not of myself; but the Father that dwelleth in me, he doeth the works. . . . He that believeth on me, the works that I do shall he do also; and greater works

than these shall he do; because I go unto my Father." In "Science and Health with Key to the Scriptures" Mary Baker Eddy states: "Our Master healed the sick, practised Christian healing, and taught the generalities of its divine Principle to his students; but he left no definite rule for demonstrating this Principle of healing and preventing disease. This rule remained to be discovered in Christian Science."

Methodists To Hear Guest Minister Sunday

Guest preacher at the Torrance First Methodist church Sunday will be Rev. Thomas Stevenson, a retired Methodist minister from the Troy Conference in New York.

The Rev. Mr. Stevenson will speak in the absence of the church's regular minister, Rev. Clarence E. Miller, who will be attending the closing session of the Annual meeting of the Southern California-Arizona conference at Redlands.

Father of Mrs. J. W. Whittington, of 1811 Torrance boulevard, the Rev. Mr. Stevenson is celebrating his 66th year in the ministry this year. He will be presented to the congregation by M. M. Schwab.

James Mattheis is attending the conference in Redlands as a lay member of the church.

DINNER TO MARK END OF THREE-YEAR DRIVE

A dinner and program marking the end of the "Crusade for a Christian World" will be held this Sunday at the First Church of Torrance.

The program, noting the end of a three-year effort by members of the church, will be held after the morning services by Rev. Cecil England.

Chairman Art Barnett reported that members of the church were beginning to return cardboard cartons which had served as home banks during the drive.

As an inducement, Chairman Barnett, made the offer to refill each coin-filled carton with ice cream. One of the first to claim her reward was Rosemary Hill, daughter of Mr. and Mrs. Edwin Hill, 1815 Andrew avenue.

The drive was staged to raise funds for the reconstruction and rehabilitation work around the world. To be featured on the program at the Victory Crusade Dinner will be Mrs. Carnella Barnes who will speak on the causes being benefited by the drive. The Jubilee Singers of the Avalon Community Center also will appear.

Members and friends of members of the church are invited to attend.

Other members of the Victory Committee working with Barnett are Mesdames Arthur Barnett, Herb Allen, Dick Crist, Fred Cook, Bud Edwards, Perry Connitt, C. B. King, Vincent Viellenave, Edward Pletzschke, and Joseph Lokes, and Messrs. Ray Peer, David Howard, Howard Huizing, and Fred Smith.
