PTA Council Is Seated In 'Golden Hours' Rite

"Golden Hours" was the theme chosen for the third annual breakfast of Torrance Council PTA held last Wednesday morning in First Christian Church. Mrs. A. C. Turner, who was re-elected to serve another term as president, and her staff, were installed by Mrs. Neal Stevenson, First District president. Featured speaker was Dr. J. H. Hull, superintendent of schools, who stressed the importance of PTA in creating a bond between home and school. Nadine Nickel, whose accompanist was Miss Terrell, deligh-

ed her audience with three vocal solos. Annual reports from the presidents of the local associations concluded the meeting. Installed with Mrs. Turner were: Mrs. A. B. Cowie, first vice president; Mrs. V. T. Vanderpool, second vice president; Mrs. Elmer Moon, recording secretary; Mrs. Paul Roettger, corresponding secretary; Mrs. Paul Stonecker, financial secretary; Mrs. Kenneth Ruffell, treasurer; Mrs. Kenneth Beight, auditor; Mrs. W. E. Bowen, historian.

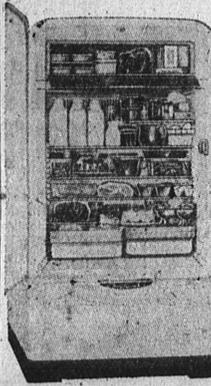

Walteria News Notes

By Mollie I. Dowd
 Mid-week guests at the home of Mr. and Mrs. William M. Mitchell, 24433 Hawthorne boulevard, were Mrs. Herbert A. Ziemer of Durango, Colo., grandmother of Mrs. Mitchell, and Hubert A. Ziemer of Roseville, Calif., Mrs. Mitchell's father. Mr. and Mrs. Gordon Batezell and children, Beverly and Richard, of Alhambra were weekend guests of Mr. and Mrs. Roland M. Harrison, 24247 Los Codona avenue. Mr. and Mrs. R. D. Holbrook and daughter, 24251 Los Codona avenue, have moved to their new home in Azusa. Mr. and Mrs. Robert Sleeth and family of Torrance will occupy the house vacated by the Holbrooks. Mr. Sleeth is postmaster at Walteria. Mr. and Mrs. Miles M. Clark and family, 24246 Park street, left Friday, June 9, for Texas, where they will visit friends and relatives for two weeks.

The summer reading project, carried on at the Walteria library from June 24 to September 11, inclusive, is called the Centennial Reading Club. The poster is a map of California, in blue and gold. As a child reports upon a book, he cuts a mimeographed flag of California from a sheet, writes his name in the space provided and pins his flag to the poster. As the child's reading progresses, he colors the parts of the flag with crayons. After reporting on the fifth book he is given a small red star to paste on the flag and is awarded an appropriate certificate for having fulfilled the requirements of the club. Only one book a week may be reported upon, and the title read must be at the child's grade level. This project is to be carried on for 12 weeks, which will enable each child to obtain two certificates should he care to do so.
