

Scots Planning Benefit Circus for Children

Ward Brothers Scot Circus, featuring many of the foremost stars of the world of sawdust and spangles—fearless aerialists, dainty footed equestriennes, and large troupes of performing horses—will all be very much apparent at Seahawk Bowl in Redondo Beach on Friday, July 7.

The South Bay Pyramid of Scots has engaged this world famous show as its one outstanding presentation for 1950. All proceeds will go into the Scots Sunshine Fund which is the means of taking care of the underprivileged and needy children.

Performances will start promptly at 2:30 and 8:30 p.m.

Among the many outstanding attractions presented by the Ward Brothers Scot Circus is the famous Blomberg troupe of performing horses coming direct from engagements in the Los Angeles Coliseum, and Long Beach Municipal Auditorium. These equine stars perform amazing drills, dances, and routines requiring almost human intelligence and their mass maneuvers without the touch of human hand, are truly a joy to behold.

The Cloud Ballet presents myriads of beautiful girls in a sensational high aerial display right over the stadium seats. This presentation marks a new plane in lavish staging and production ever known to the circus. It is breath-taking in its spectacular beauty of rhythmic color of costuming and brilliant lighting effects.

Vet Counselor Offers Aid in Dividend Claims

Assistance in claiming the special National Service Life Insurance dividends has been offered to surviving relatives of deceased veterans in this area by Miss Helen K. Dill, director of the veterans' service center here.

The problem of who is entitled to the dividend arises in cases where the deceased veteran let his NSLI policy lapse prior to his death, Miss Dill explained.

Mailing of questionnaires from the Veterans Administration is now underway, she said, but will not be completed before the end of July, according to Veterans Administration sources.

Explanations and assistance with the questionnaires may be obtained at the VSC at 1839 Post avenue.
