

Math Major Receives B.A. Degree

William H. "Bill" Jackson, 1448 Engracia avenue, received his Bachelor of Arts degree, majoring in mathematics, at the University of California at Santa Barbara last Saturday.

He is a member of the Sigma Pi fraternity, the Alpha Phi Gamma, national coeducational journalism fraternity, and co-editor of the La Cumbre, the university annual.

Graduate of Torrance High School, summer class of 1945, he was a member of the Varsity Basketball team, Tartar Knights captain, on the staff of both the T.N.T. and the Torch, Boys Court, the Scholarship Society, and recipient of the Danforth award upon graduation.

He will spend the summer working at El Capitan resort, returning to Torrance in the fall to enter University of Southern California to do his graduate work.

BILL JACKSON
... Santa Barbara Grad

AUSTRALIAN CHARGE

The League of Nations placed the Solomon islands under Australian mandate in 1920.

Alondra Park To Open New Rec. Hall Soon

A new director has been assigned to Alondra Park's fancy new recreation hall, and it will be officially opened in a "week or two," according to the recreation director for the park.

Miss Nancy Johnson will be the new director for the recreation hall, according to Recreation Director Dave Preciado.

Preciado said the swimming pool—he called it a swimming lake—would not be opened for about another month because the fencing had to be completed before it opened, and lifeguards had to be assigned.

The new recreation building is located on Redondo Beach boulevard west of Crenshaw.

SUNLIGHT VARIES

Intensity of sunlight at the equator is 10 times greater than in the polar regions.

PROFITABLE BUREAU

The U.S. patent office is self-supporting, and usually returns an annual profit.
