**Herald Picked For Tax Sale Advertisement**

The Torrance Herald is one of 50 newspapers in the county which have been selected by H. L. Byram, county tax collector, to carry advertisements of the forthcoming county-wide sale of tax-delinquent land beginning July 31.

The ads will appear in the Herald on July 6, 13, and 20. The sale will be held on the third floor of the Hall of Justice and will be conducted by Deputy Frank Murphy of Alhambra.

The county's public action of the 63rd sale will offer more than 600 parcels that have a total assessed valuation of \$35,000. Of these parcels 225 of them are located in the City of Los Angeles, with the remainder in incorporated cities. Only three or four parcels are situated in county territory.

The county policy of opening all bids with a minimum price of \$10 will be continued at this sale.

**VET PENSION LAW**  
First pension law for war veterans was passed in 1782.

**Vets Get Word, The Draft Law Excludes Them**

You vets can come out of the hills!

Ex-GIs were told this week that they cannot be called back into the service unless they are members of the National Guard or the Organized Reserve.

Under the present draft law, they can't even be drafted, Defense Department officials said.

For those members of the National Guard and Organized Reserve the story is different, officials said. Under the one-year draft extension approved by Congress last week, the President could call out the Reserves and the Guard at any time.

**Auto Radio Taken**

Thieves with a penchant for auto radios jimmied the door of a car parked at 1422 Cabrillo avenue sometime last Friday night and took a Philco auto radio, Torrance police were told Saturday morning.

Reporting the theft, John Ott, of Thatcher and Ott, said the radio had been cleanly disconnected from the car and that no wires had been broken or cut.

**Heat Takes Toll in Classrooms Of Elementary Summer Session**

The combination of warm weather, vacation and an appealing recreation program throughout the Torrance School District is credited with the drop in attendance noted the past few weeks in the Summer Elementary School program.

"Attendance in the district is down to where it now averages about 30 pupils per teacher," according to Walter Rehwoidt, director of the summer session.

Rehwoidt said that 30 students to the teacher was about the minimum if the program was to be conducted without cost to the district.

Attendances during the past weeks have averaged about 420 students in the entire district, he said.

This represents a drop of approximately 100 students from the original enrollment of 540, he said.

Students may still be enrolled for summer classes, the director said. He pointed out that instruction was largely on an individual basis, and that students enrolled now would not be entering behind classmates.

If the enrollment drops any more, Rehwoidt said, one or more of the 15 teachers may have to be dismissed.

**City Above Average In Vote Turnout**

Torrance cast 61.21 per cent of the registered vote in the June 6 primary election, according to figures made available this week by the county registrar of voters to Supervisor Raymond V. Darby.

This was over the Los Angeles county average of 59.43 per cent.

Of the 9086 registered voters in Torrance, a total of 5531 went to the polls for the primary, Darby said.

San Marino topped all 45 cities in the county with a turnout of 80.04 per cent.

Palos Verdes Estates was third on the list with an average of 71.38 per cent of the voters going to the polls.

The county-wide total was 1,222,137 voting out of a registration of 2,066,393. This is the highest vote ever cast in a primary election here, Darby said.

**TREE POPULARITY**  
More oaks are planted along streets and roadsides of the United States than any other tree. Maples rank second.

**New Brake Shop Opens on Carson**

A new shop specializing in wheel alignment, balancing and tire service, has been opened at 1730 West Carson street by Carl Ridenour. It is called Carl's Brake and Tire Service.

An addition to his brake and tire-service business, located at 1911 Pacific Coast, highway, the new shop will specialize in brake and tire service on all makes of automobiles and trucks, Ridenour said.

The new shop will have the Gbodyear-distributorship for the area also, he announced.

Managing the new Carson street shop will be Farrell Gray.

**Accordionettes Visit Harbor City Sing Night**

Members of the Torrance Accordionettes provided the intermission entertainment for the weekly community sing in the Harbor City School auditorium last Saturday evening. Twenty-five members of the group took part in the program.

**Local Chapter Of Musicians Guild Forming**

Mrs. Lois Burkholder, supervisor of the National Musicians Guild of Los Angeles County, announced this week the formation of a Torrance Chapter.

Appointed as chairman of the Torrance district was Mrs. Gladys McDougall Evans. Musicians interested in joining the National Fraternity of Musicians may contact Mrs. Evans at 1655 West 216th street.

Insurance, auditions, full and part-time scholarships in leading colleges of the United States, are some of the advantages offered by the organization, according to Mrs. Burkholder.

Mrs. Burkholder said the curriculum of the guild is based on requirements of the National Association of Schools of Music and Allied Arts and correlates the work taught in universities and colleges.
