Young people tell what they are doing, old people what they have done, and fools what they wish to do.

COME OUT, COME OUT, WHEREVER YOU ARE! Yes, folks, come out to the next meeting of the Kettler Home Owners Association to be held the last Thursday of this month and every month in the future. The time and place will be known to you shortly. Now that warmer weather is here (?), you'll want to "get out" one night a month anyway, and see people you haven't seen for months, so this is your chance.

MR. AND MRS. FRED BUETHE of 1734 West 234th street entertained Mrs. Beuth's nephew and his wife, Lt. and Mrs. Richard Hartman of Waco, Texas, last week. Lt. Hartman had just received his commission at Phoenix, Ariz. They are now enroute to Chicago, Ill., to visit relatives, and he will report for active duty in Phoenix presently.

A GROUP OF FOLK who had a wonderful time at Big Bear Lake for four days were Mr. and Mrs. Larry Brown and son Steven of 2059 Reynosa drive. With them were Mr. and Mrs. John Campbell and children Heather and Barry of Hermosa Beach. Fishing, boating and square dancing were particularly enjoyed.

MR. AND MRS. AL WIMMELL of 23304 Falena street had as their house guests last week, Mr. Wimmell's sister, Mrs. Isabel Flinn, and daughter Nancy from Portland, Ore.

THE LUCK OF THE IRISH was really with Mr. and Mrs. R. J. Geraghty of 2018 Kathy Way when they became the proud and happy parents of a son, James Anthony, born July 1 at Torrance Memorial Hospital. Baby James weighed in at 7 pounds 4 ounces. Greeting the new-comer home were his three sisters, Kathleen, Maureen, and Geraldine. Congratulations!

A TOUR UP NORTH was enjoyed by Mr. and Mrs. Walter A. Schaefer and sons Maurice and John of 2806 Gramercy avenue. Visits to San Jose and San Francisco were the first stops, but Tacoma and Seattle, Wash., were the main points of interest, as they were the guests of many friends and relatives who reside in that vicinity. On the

return trip they visited Mt. Rainier, Crater Lake, and Yosemite National Park.

OTHER VACATIONISTS WERE Mr. and Mrs. Edward Palmer of 2110 Middlebrook road, who spent a delightful week's vacation in San Francisco and Lake Tahoe where they visited relatives.

ONE UNLUCKY PERSON, Mr. Walter Matern of 1726 West 234th street, is recovering at home from a siege of illness. Perhaps this warm weather will help him, along with the good wishes of his friends and neighbors.

MOTORING TO LONG BEACH for an afternoon of bridge were Mrs. Agnes Harvey of 2152 Middlebrook road, and Mrs. Wilma Brown of 2059 Reynosa drive. Mrs. Pauline Crocker of Long Beach was their hostess for the day.

COOL MOUNTAIN AIR was the delight of the Earl Chandlers of 23415 Falena street over the Fourth of July, when they journeyed to their cabin at Blue Jay in the San Bernardino mountains. With them were their neighbors, Mr. and Mrs. Arthur F. Stues and daughter Patty, of 1734 234th street.

A WIGNER BAKE complete with Cokes and marshmallows was fun for Walt and Millie West of 2034 Reynosa drive, and Carlotta and John Agapito, Sam and Arlene Dial, all of Torrance. The Outer Lagoon at Belmont Shore was their stomping ground for the evening.

MR. AND MRS. MERLE RICHARDSON and son Tommy of 22903 Cabrillo avenue have as their house guest this week, Mrs. Richardson's mother, Mrs. Naomi Stumph of San Francisco. Mrs. Stumph spent an enjoyable vacation in Alaska previous to her visit here where the weather 'tis grand and surrounding mountains are really a sight to see, she says.

He who seeks only for applause from without has all his happiness in another's keeping.

Most forms of contempt are unwise; but one of them seems to us peculiarly ridiculous—contempt for the age one lives in.

There are obviously two educations. One should teach us how to make a living and the other how to live.

Even if great thoughts come from the heart it is better that they should emerge through the head.

To lose one's temper because of somebody else is to punish one's self for another's shortcomings.
