

Mother's Chorus Receives Praise in National Write-ups

Everyone in the Harbor area has for a long time been aware of the worth of the Orange Street Mother's Chorus, but it gives an additional sense of satisfaction to know that this group has also been nationally recognized. Among write-ups given them was one by the "British Empire Digest," a magazine published by the Canadian League of the British Empire Service League, which complimented the chorus on their "semi-professional performance."

Among reviews most enjoyed by their own community were The Gay Nineties and Show Boat. The chorus climaxed its year by attending the National PTA Convention in Long Beach, where they had the pleasure of singing with other choruses from all over the United States. Mrs. Nancy Pauline Turner, director of the combined Mother's Chorus of California again thrilled everyone with her singing. The success of these singing groups stems from good fellowship, enjoyment of each other's company and ability to work hard together.

The chorus sang at the Lomita Park building dedication and led the community singing, then adjourned to the home of Mrs.

C. W. Brocklesby, 1630 265th street, where a surprise farewell handkerchief party was given Mrs. William Christensen, who is leaving Lomita to reside in Wood and Hills. Members attending were: Mmes. William Christensen, honoree; C. W. Brocklesby, hostess; H. V. Blakesley, director; J. R. Jones, R. L. Hultz, A. D. Scott, D. S. Brown, H. W. Wilkins, R. P. Kellogg, A. W. Travers, W. W. McCann, J. J. Harris, G. C. Taft, T. F. Stowe, H. Kaemper, F. B. McGinnis, R. Bertram, T. Melton, C. Hawley, H. Palm, A. Benedict and C. Adkins. Refreshments were served at a late hour after, a song contest in which songs were sung from every era. The Mother's Chorus feel that they have earned a rest, so are on vacation until school begins in the fall.
