

Steelworkers, Nats In League Tie

HANDYMAN . . . Dick Bowman, one of the leading pitchers in the Industrial League, got caught twice by a Herald photographer—both times in a very typical pose. On the left, he has just delivered a fast ball to the plate, while on the right he is getting on first with a hit of his own. He does plenty of both for National Supply.—(Herald Photo).

Two Teams In Battle For 2nd Round Title

Play in the Industrial League is all but over, but the winner of the second round is still to be decided.

Current odds are with National Supply, winners of the championship last year—however, Steelworkers Local 1414 is still to be contended with before a second-round champ is named. Steelworkers have to meet both National Supply and Lovelady, whereas the game with the boys from Columbia is the only one left for the Nats.

The winner of the second round will meet Lovelady Hardware, winner of the first round, for the league championship and a horse on the large Torrance Herald Perpetual Trophy.

THURSDAY'S GAMES

Lovelady Hardware added another to their win column by downing Fenwick's Shoe Repair in a hard-fought game which wound up with Lovelady winning 7 to 5.

Fenwick's got a fast start in the first inning when the second man up, Halloman, walked, Eppler grounded out, then Matern tripled, Johnson singled and Delsigne got a homer. Four runs crossed the plate on three hits.

Kuhn scored for Lovelady in the first, then Burgess, Pierson and Egerer scored for the winners in the fifth. Burgess and Egerer scored tying and winning runs in the bottom of the sixth, and Coast added one for luck.

MONDAY'S GAMES

General Petroleum opened up the week by skinning the National Electric Products nine 13 to 3 in a loosely played ball game.

National Electric started out by scoring the first man up in the game after he was walked, but the scoring pace of the oil men was too much for them.

Leading 5-3 in the bottom of the fifth, the GP team picked up seven runs as a safety margin. Catcher Arnold got three hits in four tries against National Electric pitching to lead, the clotting parade.

FRIDAY'S GAMES

Steelworkers Local continued their winning drive for a chance at second round honors by downing American Rockwool 1-0 in as thrilling a game as the fans have seen in the park this summer.

Bob Anderson scored for the Steelworkers in the last half of the seventh inning on Taylor's single to win the game from the boys from Columbia. This marked their sixth straight victory of the second round against no losses.

Hank Camou, pitching for American Rockwool, allowed three hits and one run, while Jim Ortega, pitching for the Steelworkers, allowed only two hits and no runs.

TUESDAY'S GAMES

Hank Camou, who traded pitching chores with his brother Charlie, blasted the American Rockwool team into a 7-6 victory at Torrance Park last Tuesday. In his first three times at bat he got a single, a home run and a triple. The fourth time up, he fanned.

Camou was aided noticeably by Anderson and George, each having good nights at the plate. Anderson got two for two, and George got two for three.

Potters Local made three hits do for six runs in the game. Walks did the rest.

FRIDAY'S GAMES

Steelworkers Local continued their winning drive for a chance at second round honors by downing American Rockwool 1-0 in as thrilling a game as the fans have seen in the park this summer.

Bob Anderson scored for the Steelworkers in the last half of the seventh inning on Taylor's single to win the game from the boys from Columbia. This marked their sixth straight victory of the second round against no losses.

Hank Camou, pitching for American Rockwool, allowed three hits and one run, while Jim Ortega, pitching for the Steelworkers, allowed only two hits and no runs.

THURSDAY'S GAMES

Lovelady Hardware added another to their win column by downing Fenwick's Shoe Repair in a hard-fought game which wound up with Lovelady winning 7 to 5.

Fenwick's got a fast start in the first inning when the second man up, Halloman, walked, Eppler grounded out, then Matern tripled, Johnson singled and Delsigne got a homer. Four runs crossed the plate on three hits.

Kuhn scored for Lovelady in the first, then Burgess, Pierson and Egerer scored for the winners in the fifth. Burgess and Egerer scored tying and winning runs in the bottom of the sixth, and Coast added one for luck.

Bowman Paces Loop Batters

Following are the 300-plus batters of the Industrial loop:

Name	AB	H	Pct.

Malone, National Supply	41	13	.317
Clayton, Nat. Supply	43	14	.326

Ex-Residents Play Ball In Vallejo Area

Returning from a vacation trip to Vallejo, Mrs. Fred Franklin, of 23010 Harborno avenue, reports that her two sons, Franklin and Dick Bingham, are up to their necks in baseball and softball in the San Francisco area.

Franklyn now plays first base with the Mare Island baseball team and coaches the Junior American Legion baseball team in Vallejo.

Dick is pitching softball for the Moose lodge of Vallejo, and recently appeared with the Hooded Hurlers in an all-star game with the Napa Moose. The Hooded Hurlers played in black hoods, and prizes were given to patrons identifying the players.

Softball Schedule

INDUSTRIAL LEAGUE
