

### Harborites Join Exodus To Hear 'Vagabond King'

Many local music lovers are expected to join the exodus to the Hollywood Bowl Friday night, August 18, to witness a performance of the "Vagabond King" during a special "Harbor Area Night."

Starring in the light opera is Nadine Conner, popular soprano who appeared in Torrance during one of the Community Concert Series in 1948. Francis Bushman has the masculine lead.

Reserved seats specially priced at 85 cents may be purchased at La Galeria, 4126 Pacific Coast Highway (adjacent to the Smith Bros. Fish Shanty) and at "Flowers by Nadine," 1657 Gramercy avenue.

Special bus transportation to the event is being arranged by Mrs. Robert E. Carson, 1813 Silver avenue, San Pedro, general chairman of the "Harbor Area Night."

### Lions to Have Special Section for Bowl Show

"Save the night of August 19" is the word going out to all Lions this week.

President Al Ewalt reports that two district governors of the Lions Club have arranged a reserved center section of the Hollywood Bowl for Lions the night of August 19 for a performance of "Vagabond King."

"Seats will go to members at half price," Ewalt reports.

### GI's--It's Later Than You Think

The time of decision is "later than you think" for World War II veterans who have not yet used any or all of their entitlement to the education and training benefits of the GI Bill of Rights, according to Miss Helen K. Dill, director of the Torrance Veterans Service Center.

Approximately one out of three eligible veterans has never taken advantage of this type of benefit, probably because he had no need for it, Miss Dill said. On the other hand, only a very small proportion of GI students have gone as far as permitted by their entitlement, which is based on the length of their wartime service.

For most veterans, the final deadline for pursuing studies or on-the-job training under the GI Bill is July 25, 1951. They must actually be pursuing a course of training program at that time if they wish to continue receiving subsistence allowance and other benefits.

"The time to decide finally whether or not to use your remaining GI education and training benefits is RIGHT NOW, not next year," Miss Dill advises veterans. "Educational and arrangement made well in advance. The veteran who waits until next spring to make up his mind to take more training may find he has lost out."

Information and VA forms are available at Miss Dill's office located at 1389 Post avenue. The Veterans Service Center is a Community Chest unit.
