

REMEMBER WHEN..?

Ever thumb through the family album and see a picture you remember posing for so well... but can't remember when it was taken?

Looking through our files recently we came across hundreds of old picture engravings. Age, dust and repeated shuffling had claimed their toll on the identification of many of the pictures.

Here are some of those for whom we have no names. Do you know them? Recognize the event?

If you know the people call the Herald, Torrance 444, and ask for the Editor. He will be happy to take your identification.
