

### TV INSTALLER MUTTERS IN BEARD ON TEST HOP

There is one thing certain about television—nothing is certain.

After installing a set in the home of a purchaser on South Figueroa last week, Leonard Swanson, of 1618 West Carson street, turned on the switch and sat back to watch the picture come in.

When it did, everything was swell, Swanson reports, except one little thing was missing. There was no sound with the picture. The TV technician was about to check it when a station announcement flashed onto the screen revealing that the telecast was coming from station KDY-TV in Salt Lake City.

A slight adjustment on the milliglow which connects the limboed to the lens produced sound.

The picture now had everything—sound, clear image . . . everything. He smiled.

Then, same a station break. It was station WKY-TV, Oklahoma City.

A final adjustment somewhere on the frame of the limbo fixed the video, and everything is now okay, according to Swanson.

Makes you wonder, though, doesn't it?

### Upholstery Shop Opened By Lindeberg

John F. Lindeberg, a resident of this area since 1921, has announced the opening of a new upholstery shop at 1211 Lomita boulevard, in Harbor City.

One of the first such shops to be located in the Torrance trading area, the new upholstery firm will be known as the Shamrock Upholstery Company.

Lindeberg has also announced that Harry Kunzweiler, an expert in the field, will be available at the shop to do custom upholstering. Kunzweiler had 15 years experience in Seattle and Hollywood before becoming associated with the new business in Harbor City.

A native of Belfast, Ireland, Lindeberg said his shop will be equipped to offer the best in custom and special order upholstering.

### 'Spirit' Theme For Science Sermon Sunday

"The Golden Text of the Sunday Lesson Sermon on 'Spirit' in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, is from Galatians: 'The fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance; against such there is no law.'"

This Bible selection will be read from Isaiah: 'Behold, the Lord's hand is not shortened, that it cannot save; neither his ear heavy, that it cannot hear: . . . When the enemy shall come in like a flood, the Spirit of the Lord shall lift up a standard against him . . . My spirit that is upon thee, and my words . . . shall not depart out of thy mouth, . . . saith the Lord, from henceforth and for ever.'"

In "Science and Health with Key to the Scriptures" Mary Baker Eddy says, "Let us feel the divine energy of Spirit, bringing us into newness of life and recognizing no mortal material power as able to destroy. Let us rejoice that we are subject to the divine 'powers that be.' Such is the true Science of being."

### Rabbits Disappear

Rabbits, valued at \$35 to \$40, were taken from her backyard sometime last Sunday, Mrs. Bertha Turner, 3604 Garnett street, told Torrance police this week.
