

### Son of Local Attorney Named Staff Manager for Bell System

Word has been received here that H. C. Mitschrich, son of Charles Mitschrich, local attorney, has been named area staff manager for Oklahoma in the Southwestern Bell Telephone Company and will set up his office in Oklahoma City immediately.

In his new position, Mitschrich, who began work with the telephone company as a clerk in 1926, will supervise public personnel relations activities, including rate and revenue matters with regulatory bodies.

He will also supervise the company's advertising and information program for the public and for employees. His promotion is in line with the company's recent reorganization which centralized management in Oklahoma, officials declare.

Charles Mitschrich, who has offices with Realtor Perry Connett at 1871 West Carson street, said his son received a degree in engineering from the University of Oklahoma. He is a member of the Rotary Club and Chamber of Commerce, and is active in civic affairs. Prior to the new appointment, H. C. Mitschrich was district manager of the Southwestern Bell Telephone Company. The announcement of his promotion was made by Roy C. Enols, general manager.
