THE KNOWLEDGE HOME OWNERS Association of Tracts 4 and 5 still hope for 100 per cent participation on their street light collections. If you live on the following streets: Marinette, Martha, Santa Fe and Callmar you are in Tracts 4 and 5, and will no doubt be called upon soon, if you have not already, for your \$15 donation for street lights. A letter recently received from the Southern California Edison Company states that 19 street light poles will cost \$60 each, totaling \$1,140. So don't let your neighbor pay for those lights; you—and you—and you—dig for those pennies and dollars so that you can proudly say—we gave, too! The next meeting of your organization will be tonight at 7:30 o'clock in the home of Charles Phillips, 1847 Santa Fe avenue.

THE YOUNGER generation is proud as punch to announce their first bake sale to be held next Saturday, September 2, at 10 o'clock at 1828 Sepulveda boulevard. The girls are all of sub-teen age and have named themselves "The Kettlers" and have as their president, Jeannette Rhoades; vice president, Loretta Page; secretary, Lenore Sexton and treasurer, Helen Long. They are doing all of their own baking, by the way, I understand.

A CANASTA PARTY was held last Wednesday night at the home of Mrs. Edna Crosswhite, 1833 Reynosa drive. First prize was taken by Miss Lila Myerscough and booby prize went to Gerlie Horner. Guests included Mmes. Donna Clark, Evelyn Coleman, Russell Dickson, Ray Horner, Richard Oliver and Bill Parker. Refreshments were served by the hostess.

SILK PARACHUTES Military parachutes used by the U. S. armed forces require about 150 yards of silk

Sea Lions Prove They Are Smart

Spectators who have been watching Captain Harold Winston train three young sea lions at the Portuguese Bend Club are convinced that the famed trainer is right when he declares that sea lions are the smartest animals in the world.

In addition to doing the regular seal acts of ball balancing, walking on their flippers and rolling barrels, Winston has taught his three pets—Noro, Cissy and Flipper—to dive in tandem off a 4-foot springboard to hurdle 4-foot-high nets, to throw a line through floating buoys.

The sea lion show will be the highlight of a three-day Labor Day celebration at the Portuguese Bend Club, September 2, 3 and 4. It will be staged in the club pool for club members and guests at 4:30 p.m. Labor Day.
