## Grid Tickets To Be on Sale Nights of Games

Tickets for the Tartar football games here this fall will be sold under the same system used last year, Vice-Principal Charles Wallace said this week.

There will be no reserve section except the High School rooting section, Wallace said. Tickets will be sold at the gate on a first-come-first-served basis with seats going to ticket holders under the same system.

Tickets for adults will sell for 80 cents, while children 12 and under will get to see the games for a mere two bits (25 cents).

High school students will be admitted at a reduced rate with their Student Body card, Wallace said.

**COLLECTOR'S ITEM . . .** Lovely Addie Le Cass is shown here holding Bob Denny the trophy he got in the big 100-lapper held recently at the Vermont avenue oval. This win made Bob the number one man in the Hotrods, and he will be ready for action Sunday when he and other pilots test the new one-mile track at Carrell's.

## Tartars Gird for 1950 Opener With Glendale

Tartar grid mentors got down to the serious business of whipping up a football team this week as the first game of the 1950 grid machine will come one week away.

First test of the 1950 grid machine will come one week away from tomorrow night when the strong Glendale Hoover team comes to Torrance for the kickoff clash.

## CRA Hotrods To Test New Mile Raceway

Slightly jealous at the successes scored last week on the new one-mile track at Carrell's by the jalopies, the California Roadster Association has screamed for and is getting a chance to try the odd-shaped speedway next Sunday.

Drivers in the CRA hotrod club have been toiling their machines around the track this week, testing the curves (some of them are pretty tricky), and learning which turns are flat and which ones are banked.

Such leadfoots as Bob Denny—who grabbed himself a big trophy the last time out—and George Seegar, Ed Kasold, Ed Korgan, Bill West, Jerry Tripp, Russ Wilson, Walt James, and others will be there when the time trials begin at noon. The first event starts at 3 p.m.

## TWO MISSING

The new coaches start the season minus two lettermen that they had been counting on—Jim Dunsmyer and Jim Smith. Dunsmyer is out with a bruised shoulder, Smith has moved out of the school district and will not be here this fall.

That still leaves nearly a full lineup of lettermen to put on the field against Glendale. Backs Joe Cleveger, Jack Faren and Aramis Dandoy will be supplemented by Glynn Boyer, Jim Murphy and Beryl Jones.

## ENDS FILLED

Returning Ends Tom Pryor and Cal Browning will be able to step in the spots vacated by Herb Dimon and Wendell Vaughn.

Center Ted Marcoux is being groomed to fill the gaping hole left by the loss of All Bay Center, Pete Duroux.

Linemen Bill Bourne, Jim Leech and Dick Ferguson are a back, and are fighting to hold

## TOUGH ONES FIRST

Tartars will open Bay League play here Oct. 6, against the Santa Monica Vikings.

The Tartars will have met two of the strongest teams in Southern California prep circles. The opener against Glendale Hoover next Friday will be a tough one, and the game on Sept. 28 against Compton will be probably the toughest assignment of the season.

## JORDAN OUT

One refreshing thought about the 1950 Bay League season: the Tartars won't have to face that bone-crushing machine traveling under the title of Long Beach Jordan Panthers. This year, they are out of the league. Their transfer into another league is the first step of a plan to cut the Bay League down to six teams.

"There are still such teams as the Leuzinger Olympians, the El Segundo Oilers and the Redondo Seahawks, though," Coach Graybehl sighed as he reached for an aspirin. "They're always tough."

## Playgrounds To Reopen

Recreation facilities at McMaster Park, El Retiro, Fern Park and the Walteria Park will be reopened next Monday, according to Frank H. Carpenter, superintendent of recreation.

During the fall and winter program, the parks and recreation facilities will be open from 3:30 p.m. to 5:30 p.m. Monday through Friday and from 10 a.m. to 4 p.m. on Saturdays, Carpenter said.

Boys sports, elementary crafts, and special activities will be on the program, he said. Children under 12 years of age must have a permit from their parents to enter the program.

## Ram-Giant Game To Be Telecast

A play-by-play telecast of the 24 to 14 thriller which the Los Angeles Rams football team dropped to the New York Giants in Manhattan last Thursday night will be beamed over KNBH, Channel 4, at 9:15 tonight.

## Adult School Opens Monday

An expanded program of adult education classes will be offered the citizens of the greater Torrance area this fall with the opening of classes at Torrance High School Monday night, according to Donald Manashaw, director of adult education.

Among the expanded classes is the popular upholstery class which now will be offered four times weekly at the Fern Avenue Recreation Hall. New classes to be given this fall include a course in public speaking and parliamentary law, taught by Marshall Craig, formerly with the Key Transit System in Oakland.

A costume jewelry class will be taught for a three-hour period on Tuesday night at the Torrance High School.

All classes are free to adults 18 years of age and older. Additional information regarding the classes may be obtained by phoning the Adult Education office at Torrance 645.

Following is a list of classes to be offered this fall. Additional classes will be added as requested, Manashaw said. Those wishing to register should go directly to the class at the time and place listed below. (All classes are evening classes except as noted):

## MORE NEEDED

The National Education Association estimates that a total of 750,000 new teachers will be needed from 1950 to 1960. At the present rate of preparation, only 250,000 to 300,000 teachers can be expected during this decade to fill the 750,000 positions created solely by departures from the profession and increased enrollments.

## Wendel Vaughn Enrolls at SC

Wendel Vaughn, all-Bay end last year on the Tartar squad, entered the University of Southern California last week to have a try with the Trojans. Jeff Cravath should be all smiles when he sees how those long arms can reach out and snag passes.
