New La Tienda Gift Shop Features Fine Line Gifts

Something different in the way of new Torrance stores will hold a grand opening tomorrow.

The new store, La Tienda Gifts Number Two, located in the Normandy-style building across the street from the Stadium Theater, will feature a line of distinctive gifts ranging in price from less than a dollar to \$20.

Manager of the store is Mrs. Virginia Beck, 1403 Cota avenue, who has been in charge of the original La Tienda Gifts Shop which is located at 4120

Pacific Coast highway, next to Smith Bros. Shanty in Walteria.

"We will cater to those who are looking for something unique and distinctive, and yet attractively priced," Mrs. Beck said.

For the opening Friday, the shop has on hand some 200 imported Chinese fans which will be given away on a first-come first-served basis.

Among the many items displayed are Dresden, Royal Te-tau and Paragon China, copper, brass, ceramics, lamps, hand-blown glassware, Blenko glass, oil and print pictures and similar items.

MAPLE FEATURED
In the furniture line Mrs. Beck and Mrs. Hallie Thompson, co-owner of the new shop, will feature the more distinctive pieces of maple, such as drawer desks, tables and cobbler's benches.

In addition to the line of gifts, the store offers repair and resilvering service for damaged or tarnished silver. Still another convenience offered is a gift-wrapping service.
