PRESIDENTIAL PICKLE . . . Bob Haggard, president of the Torrance Kiwanis Club, will have a problem to solve at the next meeting of the club on Monday night. It is a practice to fine members one dollar whenever they have their picture in the paper—or whenever they are absent from a club-sponsored event. President Haggard's problem is, should he fine all those in the picture above, all of whom journeyed aboard a Torrance chartered bus to a joint meeting with the Laguna Beach club, or should he fine those who didn't attend—or both? TARTAR BOOSTERS . . . Checking out with student body cards at the high school are Emma Valencia (lower right) and Joe Wagoner. Barbara Mondor and Annett Castaner are doing the selling. (Herald photo).

Students See Games Cheap (For \$2.00)

Rooters at the home games of the Tartar varsity this fall will be one thing the team can bank on if the sale of student body cards around the school are any indication.

Students have been lined up for the special privilege cards since school opened, student salesmen report. Selling this year for \$2, the card entitles high school students to reduced rates to the varsity games, free admittance to all Bee home games and all basketball games, and copies of TNT—the Torrance News Torch.

The \$2 price represents a reduction of \$1 from previous years, according to Vice-principal Charles Wallace. He said the student body cards formerly sold at \$3.

Safety Stunt Startles Saturday Shoppers

Ever leave the scene of an accident and hear someone remark, "Think I'll take it a little easy?" That was the effect the Torrance Junior Chamber of Commerce was hoping to achieve—without anyone getting hurt, when they staged this "accident" at Sartori avenue and Marcelina avenue last Saturday morning.

One man, not realizing the event was staged, nearly fainted when he saw the "injured." Police Chief John Stroth, who cooperated with the Jaycees, said: "You people caught a glimpse of what we see every day. It is a picture in which none of us wishes to play a part. Drive safely!"

Classes on Slate

Employment preparation classes in typewriter repair are being offered at Harbor Junior college this year in the extended day program.

SIGNS OF THE TIMES? . . . Like many other Torrance residents, Mrs. LaVerne Gerl, read the news last week that the first Torrance man had been killed in action in Korea and then read this sign—a holdover from World War II. For more than five years the sign has told the story in fading red, white and blue, that Torrance now has 1651 men and women in the service. A new set of facts and a new paint job would bring the patriotic reminder up to date. (Herald photo).

SAFETY IN SEPTEMBER . . . Jaycees Drive A Car Up A Tree To Drive Home A Point

Safety Stunt Startles Saturday Shoppers

The event was staged under the co-leadership of Dwight Eubank and Bob Almond. The "injured" actors were Bob Lewellen Jr., Ralph Jacobowski and Jay Nelson.

CLIMAXES DRIVE
 The stunt climaxed an anti accident campaign conducted by the Jaycees which included the painting of "Look and Live" signs at downtown sections and placing of safety posters in strategic locations in the business section.

Next on the Jaycees' calendar of civic events is the promotion of Fire Prevention month.

Tartar Teen Talk

By MARIAN McDONALD

MARIAN McDONALD
 . . . Hedda Hopper of Torrance High

Well, hi everyone. It surely is great to see all you kids up at school again. And we welcome you new students. We hope you will enjoy your stay at Torrance High.

Have you seen the new paint job on our buildings? Or should I say have you missed seeing it? No fooling, everyone is pepped up this year. With that paint job you can't help it. Everything is improved this year, from the paint job on our buildings to our ASB cards.

In fact, Torrance High's student body cards are about the greatest bargain since Honest John came to town. For \$2 you are getting about \$15 worth of wonderful activities: 16 football games, about 20 basketball games, your TNT (the school paper), track meets, and baseball games. I really do think this is a wonderful bargain. Really kids, those football games are wonderful, and with our great teams, well!!! Besides that, Torrance has come so close to winning the Sportsmanship Trophy the past two years. Let's go to the games and try extra hard.

It seems as if quite a few of our Torrance High girls got married over the summer. Betty Bly, a 12th grade student, married Dallas Martin, a graduate of Torrance High, class of '46. Jeanie Adams, another senior, married Harvey Van Meter, a graduate of Narbonne High. Betty Moore, an 11th grade student, married Frank Geyer, a Gardena alumnus. Also married was Sharon Elliot, a junior, who became Mrs. Roy Wright. Roy was a Narbonne graduate. Congratulations, newlyweds.

The Girl's League really started off great Monday, with an aud call. Barbara Jackson, president, introduced the rest of her cabinet: Erma Carstens, vice president; Barbara Mondor, secretary; treasurer and Ellen Khoen, historian, and the sponsor, Mrs. Carver. Barbara then called on the presidents of the girls clubs in school for a brief report on their clubs so that the new students would have an idea which ones to join.

Tartar Ladies had a meeting Monday at noon to elect officers. They are as follows: Elaine Rehwaldt, queen; Barbara Zachary, first lady; Erma Carstens, secretary; Ann Stephens, treasurer and Betty Shannon, publicity head.

The Tartar Knights also had their first meeting last week. Mr. Charles Wallace explained their duties and they appointed posts.

Y-Teens met after school Tuesday. Officers were elected and new plans were discussed. They also plan to rename the organization.

Well, that's all for now—see you at the football game Friday night, with your ASB cards.
