

## Seaside Ranchos

By BETTY LOU SPARKS

Four more families in the Seaside Ranchos-Hollywood Riviera area were bidding their soldier daddies good-bye this week, and for one family it was a joyous occasion as well. The reassignment of Lt. Comdr. Byron Johnson, USNR, Civil Engineer Corps, to Hueneme for a temporary assignment was a happy occasion for it brought him back to this community after a four-month sojourn in Great Lakes, Ill. His wife, Dorothy, kept the return a surprise, and Byron, Jr., Mary and Charles were agog with surprise and delight Sunday morning to find their father home for breakfast. In addition to neighborhood get-togethers in his honor, a family reunion to honor him was attended by 15 guests last week in Costa Mesa. Attending from Seaside were Mrs. Johnson's sister and brother-in-law, Mr. and Mrs. Walter Holloway.

Feeling just a little left out today is Mrs. Mary Webb. During World War II Mary, then yeoman third class, relieved one yeoman first class John F. Webb for active duty. At the end of his overseas duty, Jack returned to marry the pretty little WAVE. This time as Jack reports for assignment at San Diego, Mary will stay here with their twins, Jack and Jill, three years old. Jack has been a dandy play advertising salesman for the Los Angeles Examiner.

Home in Seaside Ranchos over the week-end from the Victorville Air Base was First Lieut. Carl J. Nalorski. Carl was formerly acting fire engineer with the Torrance Fire Department, and the two little girls demanded all his attention Sunday were daughters, Judith Ann, 9, and Andrea, 7.

Also reporting for duty to San Diego Monday was Bos'n Mate Second Class Dewitt Showalter of Hollywood Riviera.

Shunning civilization last week to explore the beauties of nature were Mr. and Mrs. Harvey B. Spelman and Mr. and Mrs. F. H. Blakey, Hollywood Riviera. Hiking and exploring in the Mona Lakes region of the High Sierras, they visited the beautiful Crystal Craig and Rainbow Falls. At one time, Wynnie tells us, they were up over 10,000 feet and looking down on Crystal Craig. Fun, too, was found in their visit to the ghost mining towns and deserted villages with their tarnished saloons and gambling halls. Their two weeks vacation ended with a visit to friends in San Francisco and a leisurely drive down the coast.

A tour of Catalina, the Farmers Market, and the wide-open spaces of Southern California is being shown Miss Theresa Nastome of Boston, Mass., who is a visitor in the home of Mr. and Mrs. Jess Witney of Seaside Ranchos. On a month's vacation, Miss Nastome will spend three weeks visiting around the Los Angeles vicinity.

Basing their plans on Uncle Sam's decisions are Mr. and Mrs. Percy Sawyer of Neosho, Mo., who are visiting in the home of Mr. and Mrs. Fred Heald, Seaside Ranchos. If Staff Sergeant Sawyer is reassigned in this vicinity as he hopes to be, the family, including small Sandra Kay, will settle somewhere in the South Bay area.

A second honeymoon recently was the trip to Ensenada, Mex., of Mr. and Mrs. Sam A. Drumright, Seaside Ranchos. Three whole days of sightseeing, night-clubbing, lobster fishing provided fun for Sam and Pat, while the four small Drumright clan stayed in Seaside.

Proudly expecting his new brother, this week was little Jackie Lien, Hollywood Riviera. Mother and father, Mr. and Mrs. John Lien, brought little Randolph Neal, 6 pounds, home from the hospital this week.

Among events planned in her six weeks' visit in Quinsy and Boston Mass., Ellen Morris will attend the wedding of her cousin, Claire Mullarky. Her grandfather Daniel Sweeney accompanied the young lady on her trip back to the old family home.

A birthday surprise last week was the family gathering on Besse road to celebrate the birthday of Mrs. Orson Wolfe. Guests who attended were Mr. and Mrs. Kay W. Mallot, Joan and Kenny, Redondo Beach, Mr. and Mrs. A. C. Thomas, Orsine, Tommy, Michael, Stoney Thomas, Los Angeles, Mr. and Mrs. Robert Bellows and Bobby and Ernest Bellows, Redondo Beach, Miss Roberta Wolfe, and Nick Farrah.

At home in their new home in Hollywood Riviera are Dr. and Mrs. Dean Todd, 126 Calle Caballo. Dr. Todd, retired professor of the University of Washington, and Mrs. Todd recently moved here from Pullman, Wash.

First meeting for Las Vecinas for the current season as has been announced before is a luncheon and style show. At this meeting, Mrs. Robert A. Matson, first vice president of the organization, will assume the duties of acting president. Mrs. Claude Ferrel, president, will resume her duties in January or February as health permits.

Many plans are being made for fall activities of the hobby groups in Las Vecinas. The Welfare committee, under the direction of Mrs. Lyman Keele, is purchasing a "Type a Tune" for the children's ward at the Harbor General Hospital. This is a device designed to help children affected by polio or accident to exercise fingers. The club has also donated a lending library to the Torrance Memorial Hospital.

Golf lessons are available for club members who wish to participate. The interior decorating class has planned a dinner at Barker Bros. the 18th and a conducted tour of the store. October 11 will find this group at the home of Mrs. E. V. Rowan, Seaside, when the subject will be "Period Furniture Living Room." The regular meetings of the canasta group will continue. And a pleasant way to get that mending done is to meet with the sewing group. Newest of the hobby groups is a crafts group. Mrs. Elder of the Majle Model Craft supply has accepted an invitation to teach any club members interested in textile painting, leather tooling and lampshade making.

Notwithstanding the broken bits of pottery from the younger "young set" the first meeting of the Seaside Elementary School PTA was a huge success. Following a pot-luck dinner, to which everyone contributed, a travelogue, "The Land of the Pueblos," was shown for the adults, and the famous "Bill and Co." held the junior's spellbound.

Reminiscing over a wonderful time spent in the beautiful Wilamette Valley are Mrs. George Honzik and sons Ricky and Billy.

Visiting the Pomona Fair this week-end were Bob and Evelyn Hyder. Evelyn tells us she couldn't resist visiting the Home Show twice.

To celebrate Nancy Drumright's reaching a round 6 years of age, she and Peggy Ann Whyte spent an afternoon with the merry-go-round, popcorn, and all the trimmings.

**PTA Evening Meeting Held Thursday**

The first meeting of Harbor City PTA for the year was an evening event Thursday and highlighting the program was the introduction of faculty members by Principal Winston Scott. Mrs. William Tregarthen, president, introduced members of the executive board followed by a money-making skit "Kidnap breakfast" by PTA members. Mrs. Zella Butterfield was a soloist, accompanied by Mrs. Ethyl Ericson and Mr. Richard Rozendal, men's membership chairman, gave a brief talk stressing the importance of fathers as well as mothers becoming members. Apple pie and coffee were served during the social hour.

**Adult Choir In Swimming Event Here**

The adult choir of Lomita Presbyterian Church was entertained with a swimming party at the home of Mr. and Mrs. Al Trefethen last week.

In the group were Mesdames A. E. Cook, Walter McCartney, Roy Dawson, George Teunis, Lee Willacy, Mabel Beckman, Madelyn Powers, Margery Willacy, Mr. and Mrs. Walter Singer, Mr. and Mrs. Ted Cszek, Misses Ruby Zuver, Emily Waters, Beth and Evelyn Schlenker, Earl Wobb, Harry Fielding, and Merle Wilson.

Sales of natural gas reached record heights of 3,153,375,000 million cubic feet in 1949.
