Teachers Enroll For Piano Clinic

Kathryne Buffington of 1434 Post Avenue, pianist and teacher, is enrolled at Chapman College, with other members of the Los Angeles Music Teachers Association in a clinic and workshop for piano teachers. Mornings of October 10-13 will be devoted to class instruction for children and adults. Private instruction also will be discussed.

Class piano is a fairly new idea in this country, and outstanding groups of teachers are bringing this type of instruction to adults and children. Kathryne Buffington has taught class piano in Torrance for a number of years and is well prepared to teach adults and children privately and in class. Her studio is at 1434 Post Avenue, Torrance, 368. Call her for information in private work and class instruction.

Bride-Elect Is Shower Incentive

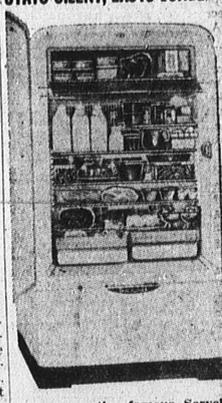

Miss Margie Greenan, bride-elect of Kenneth Green of Whittier, was honored at a surprise prenuptial shower arranged recently at her home when Mrs. Eugene Nelms of Compton, aunt of the bride-elect, and Mrs. Lee Grijalva of Lomita entertained. Approximately 40 Torrance and out-of-town guests were bidden and following the presentation of lovely gifts for the young bride-to-be, delicious party refreshments were served.

Women of Moose Set Meet 11th

Regular business meeting of Torrance Chapter 44, Women of the Moose, will be held Wednesday evening, October 11, in their clubhouse on Carson street. The chapter was well represented at the first initiation and reopening of Hermosa Chapter 1206, September 28, when Inglewood Chapter officiated, according to Hazel Ott, publicity chairman.

ONLY THE GRS REFRIGERATOR STAYS SILENT, LASTS LONGER

Come see the famous Servel Gas Refrigerator - only refrigerator that stays silent, lasts longer. Its freezing system has no moving parts. Just a tiny gas flame does the work.

Over 2,000,000 have Servels (many of them 18 and 20 years). They say, "Pick Servel. It stays noise-free, wear-free."
