# HOME LOAN REALTY

"PICTURES ARE BETTER THAN EVER"

**\$44.06 PER MONTH** buys this doll house and when you say doll house, I'm not speaking of the kind you see in the window. This is a real doll house. It has an individual character and the present owners have this place decorated. Each room has its own character and the kitchen is a real kitchen. The kitchen! Well, they sure had the little woman in mind there. Lots of tile, plenty of room for eating space, cupboard space above and below the counter. The new wallpaper in the two bedrooms is bright and cheery in them and the bathroom is a real bathroom. The children's room has just the right design to keep Junior interested or sleepy. Dad! Let's face it; there is a lot of grass to cut, but what a place to play catch with the boy without the danger of the ball hitting in the street. Yes, it's completely rented, and it gives you a chance to own a home to come to when you're generating a little, but we are excited about this home.

Let us make an appointment to show it to you.
