

For Warren

Committee Plans Torch Parade on Eve of Election

An old-fashioned pre-election parade, including torches and a "Dixie Land Band Wagon" will be seen November 6 when the local Warren-for-Governor committee stages a cyclone finish to the campaign to return Warren to Sacramento.

William H. Tolson, chairman of the Warren-for-Governor committee, sounded a call for volunteers with automobiles, telephones and personal service to donate to "come to the aid of the party."

Volunteers are asked to telephone campaign headquarters, Torrance 3247 or Torrance 2801, to register.

"We are building a fine Warren organization," Tolson said, "and we want workers in each precinct who can help with transportation, telephone work and last-minute office details."

He also reminded voters who anticipate being out of town on election day to get their applications for absentee ballots from Warren headquarters in time to have them in the hands of the Registrar of Voters on or before November 2. The headquarters, open daily, is located in Torrance National Bank Building.

Voters who are going to be away also can vote in the Registrar of Voters office, 808 North Spring street, Los Angeles, at any time before election, it was pointed out.

The Warren committee will meet again next Monday night at 8:15 o'clock in the City Hall. Volunteer workers are welcome, Tolson said.

SOYBEAN OIL USES

Much of the soybean oil consumed in the U. S. goes into shortening, margarine, mayonnaise and salad dressing.

OCEAN PRESSURE

Pressure in the deepest parts of the ocean is so great that it will squeeze a block of wood to half its normal size.

Civic Council Tells Stand on Propositions

After studying various measures on the November 7 ballot, the Riviera Civic Council, a group of thirty residents of the Seaside Ranchos-Hollywood Riviera section this week published the results of a poll taken within the organization on the coming state and county issues.

In a lengthy report to residents of the area, the council pointed out arguments both for and against the issues and then revealed the results of their balloting.

"These findings are not to be construed as recommendations," Richard Blakley, chairman of the Civic Council, stated. "The results of our balloting is for information purposes only."

Their balloting revealed the following:

Proposition	For	Against
No. 1	None	100%
No. 2	100%	None
No. 3	100%	None
No. 4	None	100%
No. 10	20%	80%

The council has considered propositions Nos. 4, 9 and 11, and has found them to be non-controversial in nature. Each appears to be merely a needed ad-

justment in existing law, and each appears to be sound and desirable of passage.

The council has briefly considered propositions 5 and 8, and has found that factual information concerning them cannot be effectively presented. In general, they appear to be unsound and probably undesirable. The council did not consider the issue of proposition No. 7.

Life Science Class Plans Field Trips

Members of El Camino College's life-science club, at their first regular meeting last Wednesday, made plans for frequent field trips this fall.

Club officers are Chester Shiman, 1866 West 169th street, Gardena, president; Marguerite Pratt, 330 West Arbor Vitae, Inglewood; Kathleen Scates, 428 7th street, Manhattan Beach.
