

### Unemployment Returns Due Tuesday, Oct. 31

Tuesday, October 31, is the deadline for filing the quarterly contribution returns required by the State Unemployment Insurance Act, E. L. Funder, Department of Employment auditor in charge in Long Beach, reminded employers today. Contribution returns which are not filed prior to the deadline will be subject to penalty and interest charges, Funder said. He urged employers in need of assistance in preparing the report to contact him at Room 20, 110 West Ocean boulevard, telephone Long Beach 702-917.

### Girl Scouts See Unusual Timepieces

Girl Scout Troop 416, sponsored by St. Andrew's Episcopal Church, participated in various activities during the past several months, including an "overnight" at the Lomita home of Mrs. Frank P. Church, harbor section chairman of Girl Scouts. Accompanying the group were Mrs. Evelyn Neely, assisted by Mrs. Grace Hinshaw.

The girls cooked dinner camp style in the garden and camped there overnight. During the evening Mr. Church showed the girls his famous collection of clocks and watches, giving them the history of those most unique.

Mrs. Church accompanied the girls through her Indian room, where they saw a wonderful collection of Indian ceremonial bonnets, marriage belts, baskets, cooking utensils, and looms, and heard Indian lore and customs.

The girls voted this experience the highlight of their summer activities.

The troop also spent three days at Camp Archie Shields where they enjoyed outdoor cooking, swimming, hiking and sleeping under the stars.

Miss Sally Sprout assisted Mrs. Neely on this trip.

On troop meeting days the girls took swimming lessons at Alondra Park.

Scouts participating in the above activities were Vicki Hinshaw, Peggy Sprout, Cathy Jones, Sharon Neely, Loretta Johnston, Lynn Hall and Rita Selover. Peggy Neely, Diane and Gordon Hinshaw were guests of the troop.

**FINE LEATHER**  
 Today some of the best deerskin leathers are taken from the baby lamb.

Lizards can grow a new tail if the original one is lost.

**FAMILIAR?** . . . Like the red and white striped pole that marks a barber shop, this high-wheeled bicycle has come to mean that Ben and Paul Smith's bicycle shop is not far away. Here it stands in front of the new location of the Torrance Cycle and Sports Shop (formerly Scotty's Sport Shop) a few doors east of the post office on Marcelina avenue. (Herald photo).

### Chris Bean Chosen As El Camino Play

Sidney Howard's comedy, "The Late Christopher Bean," was chosen recently for El Camino College's annual fall play.

The date and place are still undecided, but tentative plans are set for December 1 and 2.

### School Officials to Conduct Church Service This Sunday

A service conducted by members of the Torrance School District will mark the observance of American Education Week at the Sunday morning worship hour at the First Christian Church beginning at 10:50 a.m., according to Rev. Cecil J. England, pastor.

Dr. J. Heinrich Hull, superintendent of schools, will deliver the message. He will speak on "Moral and Spiritual Values in Public Education."

John Steinbaugh, principal of Torrance High School, will offer the selected reading, Earl Eckert, principal of Seaside Elementary School, will deliver the prayer. Howard Huijig, an elementary teacher, will give the invocation and Lloyd Jones, also an elementary school teacher, will sing "The Lord's Prayer."

Albert Posner, administrative assistant, will lead in the communion meditation.

American Education Week is jointly sponsored by the American Legion, National Education Association, United States Office of Education and the National Congress of Parents and Teachers. This service is one of the Church's ways of showing keen interest and deep concern for the welfare of the children in the public schools and also to show a spirit of cooperation with the local school program and its leadership from the teachers to the school board and administration.

Rev. England states that this is the first year for this type of service to be conducted in a Torrance Church. It is hoped that next year this type of

**BACHELORS FINED**  
 Queen Margaret, ruler of Scotland in 1288, ordered fines for eligible men who refused marriage proposals from eligible women in leap years.

**CHINESE INVENT**  
 It is believed paper was invented in China about 107 A.D.

### Cycle Shop Adds Complete Line of Sporting Goods

Adding a complete line of sporting goods, Ben and Paul Smith, former operators of the Torrance Cycle and Fix-it Shop, have moved to new and larger quarters at 1421 Marcelina avenue.

Moving from the old location at 1343 El Prado, next to the Chamber of Commerce office, the two long-time local boys purchased the sporting goods line from B. J. Scott, who maintained a store in connection with an electrical contracting firm for the past 27 years.

The two boys, not brothers, incidentally, started in business in Torrance in 1947 when both returned from the service. Helping on the sales floor at the new location will be the two owners' wives, Marcella and Helen.

**NEW NAME**  
 The new location will be known as the Torrance Cycle and Sports Shop.

To the line of bicycles, tricycles and wheeled goods formerly carried by the firm, will be added a complete line of athletic equipment including shoes for bowling, basketball, baseball, tennis and other sports.

The two partners will continue to sell and repair all makes of lawnmowers - both hand-propelled and power machines.

A complete lock and key service will be maintained at the new store.

**REPAIR SERVICE**  
 Repair of all makes of bicycles will be made in the larger service department located in the rear of the sales floor.

One of the largest selections of fishing equipment is currently stocked by the well known store owners. Included in the many items stocked are boats, Mercury outboard motors, Penn fishing reels, poles, lines, hooks and other fishing paraphernalia.

A complete line of guns and ammunition is also stocked.

Camping equipment including tents, sleeping bags, stoves and lanterns will be displayed throughout the year.

Ben Smith has lived in Torrance 29 years. He married the sister of his partner, Paul, the latter of whom is also named Smith - a situation, say the Smith boys, which results in much confusion.

### Daughter Born to Harry Burkholders October 20

A new arrival in the home of Lt. and Mrs. Harry R. Burkholder is little Sela Marie who was born to the couple Oct. 20.

The proud father is a former industrial engineer for National Supply Company. He is now serving with the Navy and is stationed at the Naval Air Base in San Diego.

Sela Marie is the second child for the Burkholders. They have a son, David Edward, who is now two.

### Motorcycle Rider Dies In Crash

Robert Eugene Jeanneret, 23-year old son of a Torrance woman, was killed instantly Sunday when his motorcycle roared out of control and catapulted him into a steel fence post in San Pedro.

Mother of the deceased is Mrs. Madeline Barber, 3024 Winlock drive, Pacific Hills. Her son lived at 629 Harbor Hills, Lomita.

According to witnesses, Jeanneret's cycle struck an embankment after he developed tire trouble. He was then thrown into a post on Western avenue near the Channel Heights housing project.

Skid marks of 120 feet were found leading to the smashed machine. The rider was thrown nearly 50 feet as the motor struck the embankment.

Gamb's Mortuary in Lomita is handling funeral arrangements.

## FROM McMAHAN'S MAKE IT A SUNBEAM CHRISTMAS

**PAY ONLY 50¢ DOWN**

FOR CHRISTMAS LAYAWAY

**Sunbeam COFFEEMASTER**

It's automatic! You can't mist! Perfect coffee every time - 1 cup to 8. No watching - no worry. All gen-like chromium plate. No glass bowls to break.
