MISS HARRIET LORRAIN  
... Talented Young Singer

## Caribbean Tour Enjoyable For Former Torrance Girl

Miss Harriet Lorrain, daughter of Mr. and Mrs. Harry Pegors, 1723 Martina avenue, recently returned via Pan American Airways from the West Indies and Puerto Rico to her New York apartment. The young singer had just completed various engagements, ending in her appearance with Will Mahoney at the Palace Theater, New York.

Her Caribbean trip was highlighted by a stay of eight weeks at the new Caribe-Hilton Hotel in San Juan, Puerto Rico and a tour of the Virgin Islands. Enroute to New York she visited the Dominican Republic, Haiti, Jamaica, Cuba and Miami Beach, Fla.

Miss Lorraine especially enjoyed the Caribe-Hilton and was charmed by the scenic beauty, colorful costumes and quaint old world customs of Haiti, she said. She is now considering an offer which would take her to Montreal, Canada and then to England and the continent.

## Food Sale, Other Affairs Planned by Legion Women

The Auxiliary of the Bert S. Crossland Post 170 reports a very favorable attendance at the benefit card party given Tuesday evening at the Legion clubhouse.

Bridge honors were won by Mrs. C. Bjork and John Struch; pinochle by Mrs. Jepson and Mr. Vash, and canasta by Mrs. Nelson and George Thompson.

Mrs. C. P. Olson, president, and her committee carried out the Halloween theme in table decorations and handmade tallies. Mesdames Merle Youngken, Ella Robinson, Dorothy Ross and Allie West served delicious refreshments.

A cooked food sale will be held Saturday, November 4, at the entrance to Almond's Department Store in downtown Torrance. All members are asked to contribute.

Next regular Auxiliary meeting will be held at the American Legion clubhouse on Border avenue, Tuesday evening Nov. 14. Mrs. C. P. Olson and the membership chairman, Mrs. Teo Cunningham extend an invitation to all eligible women, mothers, wives, daughters and sisters of Legionnaires to attend this meeting and fill out applications for membership.

There is need for workers in this wonderful program, which has no vacation. World conditions today demand that the American Legion Auxiliary continue strong and active. They have well planned programs and they must have strong enthusiastic members to help carry out these programs. Contact Mrs. C. P. Olson, Torrance 823-J, or Mrs. Teo Cunningham, Lomita 2385-J, and they will see that you have transportation to the meeting.

## Reflections CAST YOUR BALLOT

By J. Hugh Shertey, Jr.

This is a crucial election. We will decide issues affecting morals and economics. We will choose leaders whose philosophy will raise or lower our State and National solvency.

Why not erase the party tags on candidates, peel off all the layers of bombast, verbiage and demagoguery until we come to truth, or essence of what the man stands for? What we see is what we will get, and no more.

We need patriots, not promoters. Demagoguery is out of fashion. Double talk is no longer popular. We want men who will work for the good of everyone, who will not further raid our paychecks, who will let us, our wives and children, enjoy the fruits of our labor.

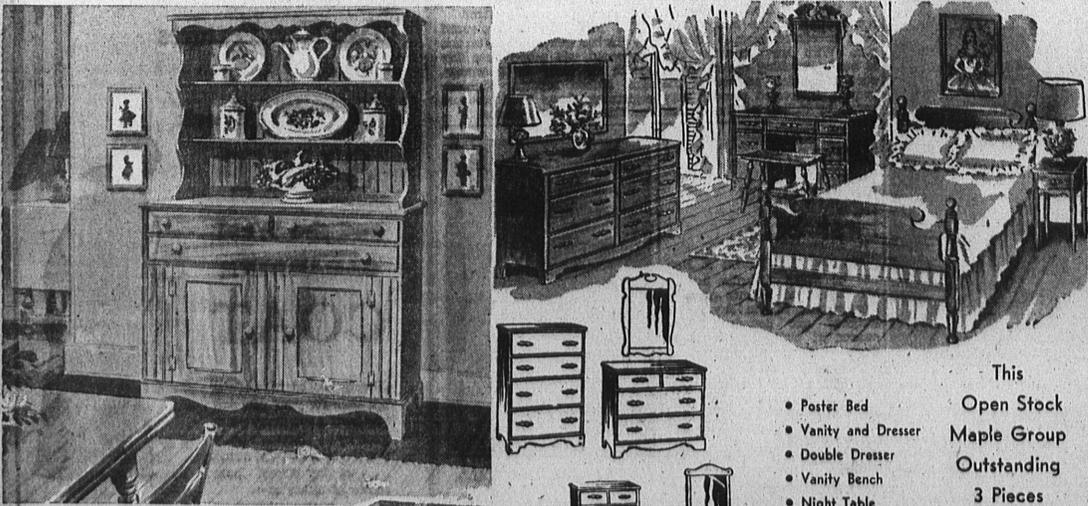

Keeping in mind what we have seen, now ask ourselves these two questions: "Would I trust him with my money?" "Would I trust him with my life?" Answer them conscientiously, then vote.
