

### 'Reporting to Parents' Plan Outlined by Fern Principal

Fern Avenue PTA held its first regular meeting in the school auditorium on Thursday with Mrs. G. J. Derouin, president, presiding. During a short business session Mrs. C. S. Connors was ratified as treasurer. She is serving in place of Mrs. J. L. Boucher, who resigned earlier because of illness.

A report on the membership drive was given by Mrs. William Blair. She informed the group that Fern Avenue now has 480 members. Miss Valle's room placed first in memberships in the lower grades and Miss Kentla's room won first place in the upper grades. These rooms were presented beautiful paintings as awards.

The meeting was turned over to Ronald C. Henderson principal, who introduced the teacher, Mrs. Barbara Stiers and Lloyd Jones, accompanied by Mrs. Emily Young at the piano, delighted the audience with their singing of three songs.

The main portion of the evening's program was devoted to a talk by Mr. Henderson, whose subject was "Plans for the school year." He outlined the plan to be used in reporting to parents. It consists of two parts. There will be parent-teacher conferences, both group and individual, and "Growth Records" will be given twice a year.

He reported that satisfactory progress was being made on the cafeteria and he hoped it would be ready for occupancy in January. A classroom unit, which will include a workshop, is to be constructed on the Fern Avenue Recreation Field.

A reception for the teachers was held after the meeting. Refreshments were served by the executive board, who were hostesses for the evening.
