Torrance, Redondo Beach To Vote on Boundary Line

First step in settling the boundary problems on the line dividing Redondo Beach and the Hollywood Riviera section of Torrance was taken recently when Redondo Beach officials agreed to place the matter on a ballot for next April. Torrance City Attorney C. Douglass Smith is taking steps to have a similar election here next spring in the hopes that the citizens of the two cities can effect a boundary alteration that will eliminate the present

20 lots are bisected, thus putting each piece of property in two cities. This presents a number of obvious problems for the owners. An exception to the plan to put all of the affected parcels in either one city or another is the Hollywood Riviera Beach club, whose management has requested that the line continue across their property, thus keeping a small portion of the club in Redondo Beach.

SIGHTING IN . . . Lining up a movie camera before shooting a scene for some future movie is triple-threat Lawrence Raimond who will speak to Legionnaires here Tuesday evening.

Hollywood Director Billed To Speak to Legionnaires

A Hollywood motion picture director, cameraman, and writer will speak on the technical aspects of motion picture photography at the Tuesday evening meeting of the Bert S. Crossland post of the American Legion here next week. Guest speaker will be Lawrence Raimond, Commander James Parks, of the sponsoring Legion post, personally vouch-

for the speaker, saying his talk would be both interesting and educational. Parks was once Raimond's assistant. Veterans of World Wars I and II have been invited to attend the meeting, Parks said. The Legionnaires meet at 8 p.m. Besides the Tuesday evening meeting, the local Legion post is sponsoring a public dance every Saturday evening from 8 until 1 a.m. Les Tronier and his orchestra furnish the music.
