FUTURE GOOD CITIZENS . . . These boys of Troop 241, Boy Scouts of America, a Torrance group, learn respect for their country, their God, their home and their town as they climb through the ranks of Scouting. Community Chest dollars help these boys, and hundreds of other Torrance boys, become future good citizens. It is less expensive to keep a boy out of jail than it is to bail one out. Pictured are (left to right) Gary Hackanson, Richard Freeman, James Donnette and Freddy Diesel.

ANIMAL CARE . . . Virginia Barnard 7, and Gayle Hoy 7, members of the Blue Birds of the Camp Fire Girls, a Community Chest-supported organization, give their dog a bath as part of the Blue Birds' "Animal Care" program. Both girls attend the Halldale School and are members of the Sunshine Blue Birds. (Herald photo).

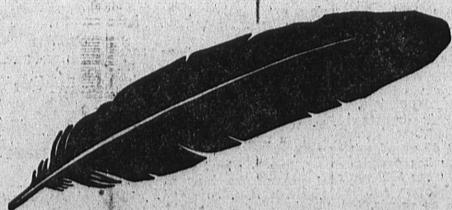

A RED FEATHER FOR A CANE . . . Patsy Gattin, 20333 Henrietta street, has one doll, five brothers, and one artificial leg. At eight years of age she has yet to spend her first day in school. Born with a leg deformity, she had to have her right leg removed recently at a Los Angeles children's hospital. Community Chest dollars, contributed by people from this area, paid the bill. Patsy is faced with another operation—to remove her left leg. What was your contribution this year? (Herald photo).

DOUBLE BENEFIT . . . These girls, Mizu Yasutaki and Carol Dean, of the Freshman Y-Teen Club of the Torrance YWCA (A Community Chest-supported organization) pack a layette as one of their service projects to be given to a local needy family. Here your Red Feather dollars do double duty. Give enough! (Herald photo).

VETERAN'S AID . . . Mrs. Helen Dill, counselor at the Veteran's Service Center, 1339 Post avenue, one of the Red Feather agencies, helps Ray McIntier, 29-year-old ex-Air Force sergeant, as he prepares to reenlist in the Air Force. A typical veteran is McIntier, whose records at the Service Center show the agency has aided him in connection with schooling at El Camino, on the job training, housing, war bonds, eligibility, and most recently his return to duty with the armed forces.
