

## God, Preserver Of Man to be Science Text

The Golden Text of the Sunday Bible Lesson on "God the Preserver of Man" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, is from II Samuel: "The Lord is my rock, and my fortress, and my deliverer; the God of my rock; in him will I trust; he is my shield, and the horn of my salvation, my high tower, and my refuge, my saviour."

These Bible selections from Isaiah will be read in the Torrance church: "Say ye to the righteous, that it shall be well with him: for they shall eat the fruit of their doings. . . They shall not build, and another inhabit; they shall not plant, and another eat: . . . for they are the seed of the blessed of the Lord, and their offspring with them."

Mary Baker Eddy declares in "Science and Health with Key to the Scriptures": "This is the doctrine of Christian Science: that divine Love cannot be deprived of its manifestation, or object; that joy cannot be turned into sorrow, for sorrow is not the master of joy; that good can never produce evil; that matter can never produce mind nor life result in death. . . Harmony is produced by its Principle, is controlled by it and abides with it."

## Former Monk

Dr. Walter Montano, known as the St. Paul of South America, will be guest speaker at the Men's Brotherhood of the First Baptist church tomorrow evening following a dinner at 6:30.

Formerly a Franciscan monk, Dr. Montano is the author of "The Monk Who Lived Again," and "Behind The Purple Curtain." He is now engaged in evangelistic work throughout South America.

## Welcome Wagon to Help

Mrs. Helen Mitchell, Welcome Wagon hostess for Torrance, announced this week that, in view of the increasing seriousness of the current world situation, Welcome Wagon hostesses throughout the area will carry Army, Navy and Air Force enlistment information on all their calls.

## Evangelist to Show Israel Films

Dr. Myron Sackett, newly returned from Israel after spending eight and one half months overseas will be the guest speaker Friday, December 8, in the Torrance Foursquare Church, located at 1207 El Prado.

Dr. Sackett visited 19 countries doing evangelistic and relief work. Eight of these countries were at war and he was held captive while there. Some six months of this time was spent in the State of Israel where Dr. Sackett preached in refugee camps, hospitals, children's homes and leper colonies. He will especially tell how prophecy is being fulfilled in Palestine today.

He will show colored motion picture film of his trip of which he has over 2000 feet—Mrs. Sackett who accompanied him will sing during the service.

All are cordially invited to attend.

## College Students Seek Clothes For Children

Clothes for needy children are being collected by students of El Camino College as part of the national "Save the Children" campaign conducted annually. Collections are being made through the week of December 4 to 8.

Gamma Delta, college service club, is sponsoring the drive locally. Sought are all kinds of old clothing and shoes in good condition. Children's articles are especially needed, but clothing for adults is also being requested. Articles collected will be distributed to needy families both in the United States and in Europe.

Officers of the drive-sponsoring club are Mrs. Kathy Hitzlerberger, Torrance, president; Margaret Hughes, Redondo Beach, vice-president; Donna Smith, Hermosa Beach, secretary, and Shirley Horrell, Inglewood, treasurer. El Camino College is located at Crenshaw and Redondo Beach boulevards.
