Why "Orange Blossom"

"Orange Blossom" was chosen as the name of these fine rings many years ago, at a time when Brides-to-be had only one choice—a plain gold band and a perfectly plain mounting for their diamond.

"Orange Blossom" rings changed all that. The traditional wedding flower first was employed as a motif to fashion designs of an artistic and romantic nature. Later small diamonds were added until today you have a wide variety from which to choose—all bearing the quality name of "Orange Blossom."

Seaside Ranchos

BY BETTY LOU SPARKS

It's a great day at the home of Mr. and Mrs. Arnold G. Stohman, for this week to join the family composed of the two little boys is a little girl, Marcia Gail, who was born November 28 and weighed in at 8 pounds 3 ounces.

To round out a male quartet this week, Mr. and Mrs. Henry V. Upholt Jr. became the proud parents of their fourth little boy. He will be named James Henry and was a fine 8 pounds 3 ounces when born November 26.

To those friends of Mrs. Jack Fomeroy, a little note that Dottie will be bedfast for another couple of weeks, so a quick visit and a cheery hello will help morale wonderfully.

Remember the Sutters who used to live down on Doris way and were so prominent in Seaside activities? A quick visit Friday on their way back to Chico was enjoyed by Mr. and Mrs. Paul Roetiger. They sent hellos to their many friends.

A dinner party to celebrate two birthdays in the same family was held Sunday at the home of Mr. and Mrs. Fred Heald. Guests of honor on this occasion were Fred and his niece, Donna, whose family, Mr. and Mrs. Donald Heald, came all the way from Monterey Park to celebrate.

A first for many of the small boys in blue and brown Saturday was their trip with William Morris and George Honzik to see a real big-time football game. The excited group of youngsters of Don I and Boy Scouts from Seaside had the thrill of seeing the Rams meet the Green Bay Packers and for some it is a memory that won't be forgotten soon.

It is with deep sadness that

we hear of another tragedy in Seaside Heights. Our deepest sympathies are extended to the family of little Michael Martin, who fell from a car Monday to be killed immediately by an automobile coming from the opposite direction.

Good news for all of us was the splendid response on the Community Chest drive down here. Most of the gifts this year were made by the housewife as additions to what most husbands gave at the office. With practically every house in Seaside represented, we made a wonderful showing. Special mention should be made to those on Reese road who were the first to complete their campaign with a very sizeable sum. All houses were represented and we certainly think it is something to be proud of.

Nominations for the 1951 officers of the Seaside Homeowners Association have been announced. For president, Roger Farnham, Frank Hanover, Doug Horne; for vice-president, Irving Lessin, Jerome Olson, Warren Schenck; for recording secretary, Fred Knouse, Fern Springer; for corresponding secretary, Mary Jacobs, Penny McReynolds, Floren Shroder; for treasurer, Robert B. Evans, Robert F. Evans, William Schmitz, Joel Stanley, Jess Whitney, and for sergeant-at-arms, Donald Hall, Eldon Perkins, Bud Powell and Clifford Scioneaux.

Just a note of warning to some of us who drive so very fast through the streets of the Ranchos. Several of us are putting on a "tag" campaign by listing the license numbers of those going over the specified speed limit through the streets. These are going to be turned over to the authorities. Better check your speedometers.
