Delinquency Problems Told; Red Cross Plans Discussed

"Each community has its own problems with child delinquency," said Captain W. H. Haslam of Torrance Police Department in his talk to Perry PTA Thursday, adding: "Delinquency starts at home and it behooves all parents to gain the confidence of their children." In thanking Captain Haslam, the president stated: "I think that we realize more than ever our children are never too young to be taught the responsibilities of

good citizenship." The association voted to hold classes in Home Nursing and Mrs. A. B. Cowie presented a talk on the blood bank. Questions in the "Question Box" were answered and discussion was held on each. Perry School PTA executive board meeting will be held at 12:30 p.m. Wednesday, December 13, in the home of Mrs. W. A. Wright, president, 18323 Roslin avenue.
