

Walteria News Notes

Mrs. Francis Carrillo and son Jerry, of 2447 Hawthorne boulevard, enjoyed a pleasant week of travel during Mrs. Carrillo's vacation. They visited the San Diego zoo and Tijuana, and came home by way of San Bernardino.

C. A. Miller and family spent Thursday, Friday, and Saturday at the William C. Corey residence at 2443 Hawthorne boulevard. Mr. Miller is a Ships Service Man in the U. S. Navy.

We are sorry to hear that Mrs. Atronsky went to the hospital Monday, December 11, for surgery. The Atronskys manage the new drug store on Pacific Coast Highway in Walteria. We wish her a speedy recovery.

Well, that bird is here again. This time the proud parents are Mr. and Mrs. Billie D. Lightle of 3318 Danaha street. They welcomed little Dennis Eugene

Lightle into their family on December 3, at the San Pedro Community Hospital. He weighed in at 6 pounds 3 ounces. Congratulations. The Lightles have another son, Douglas.

Mr. and Mrs. T. M. Kirk and Mr. and Mrs. Gordon of Gordon's Market, spent a very enjoyable Friday night, the eighth of December. The group went to Long Beach to see the Spade Cooley show. The Kirks were also accompanied by their daughter.

Circle 8 of the Methodists women's group participated in the annual Torrance Methodist Bazaar. The group had two 'sewing bees' preparing items for the sale. Mrs. Gloria Rose, Newton street, was hostess for both occasions.

No need to shiver any longer at the Art Building. Supply store on Pacific Coast Highway, no matter how cold the morning may be. The owners are installing gas heating in the building this week.

The firemen of Walteria are opening a series of First Aid Classes beginning the second of January. These classes will be of great interest to many of us, who wish to prepare for any emergency. Anyone who wants to attend can obtain further information by calling the fire station here.

Wesley Christian, of 24245 Neece avenue, will leave home December 20 for Fort Ord where he will receive training for the Army.

Mr. and Mrs. James Prince and family of Gardena, and Mr. and Mrs. Frank Miller of Lennox were Sunday dinner guests at the home of Mr. and Mrs. William M. Mitchell of Danaha street.

Mrs. Ellis Addresses Soroptimists

An insight into the workings of the Department of Employment most were given Harbor District Soroptimist Club members when they convened yesterday for their weekly luncheon meeting.

Mrs. Winona Ellis, manager Torrance Branch California State Employment Service, was guest speaker. Meeting immediately preceding and following Christmas will be omitted, it was announced. Minutes for the meeting were read by Gertrude Groeppel, in the absence of Mrs. Mae Leake, who is vacationing.

Nova Scotia Reunion Set For Saturday

Former residents of Nova Scotia have been invited to luncheon Saturday, December 16 at Knott's Berry Farm, Buena Park. The reunion has been scheduled for 2 p.m., with an especially fine program planned, according to John Ferguson, local representative of the sponsoring group.

Reflections

By J. Hugh Sherley, Jr.

Go to Church This Month

If you were told a certain motion picture was inspirational, you would make every effort to see it, or a particular radio program

was excellent you would listen or a particular place was spectacularly beautiful you would see it if you had to crawl.

The church is reverentially inspirational. The sermons inspire. The exterior of the buildings is more beautiful while the interior is permeated with love. There you get close to the spirit within yourself, to God. Friendship is unselfish and it begins in a church. The church is one stabilizing influence in a community. Within its hallowed walls prayer reaches a zenith of power. Everybody wants a few minutes of peace, you have them in a church.

Go to Church this month. There you will find the plus of living.
