Hey, Kids, are you wondering where Santa is these days? Well, he will be at the big Christmas party sponsored by the Civic Association at El Camino College, Saturday, December 23. Be sure to ask Mom and Dad to see that you are early. Many little boys and girls will be there to see the 40 minute revue of the Mack Malone dancers. Forty juvenile artists will participate with Mack Malone as master of ceremonies. Santa has candy and gifts for all, so be there at 7:30. School buses will make several trips from North Torrance Elementary and Perry Schools.

Lou Simons, 17229 Ardath avenue, Secretary of Cub Scouts, is planning on a trip for his boys to see a live television show. The boys welcome such an opportunity.

Meet your new neighbors: Mr. and Mrs. C. W. Thornton, 17416 Fayesmith, formerly of Leimert Park. Although one of the very newest residents, his Christmas scene has attracted much attention. Mr. Thornton tells me he has entered the outdoor lighting contest of Torrance, so let's all wish him well. Drop by and see how Mr. Thornton's leisure hours have paid off.

Mr. and Mrs. Dan Walker, 17203 Casimir, and daughters, Donna and Linda, also Mr. and Mrs. Alex Bates, 17039 Glenburn and daughter Mary Jan, attended the Bank of America Christmas party at the Biltmore ballroom Sunday, the seventeenth. Many entertainers drew the applause of happy children. Clowns, tricks of magic and gifts from Santa Claus made a perfect day.

Without a doubt, a talent scout will mob Paul Clayton and Dave Dyer after their performance at the Christmas dance held at McMasters Hall by the North Torrance Civic Association December 18. Some 50 guests enjoyed themselves singing and dancing. Several prizes were given. The grand prize, a basket of fruit from Morrie's Produce of Manor Market.

On Thursday the twenty-first, the Community Church will give a special Christmas program. Little Susie will speak her lines and Santa will pass treats to all the kiddies. A very pleasant time is planned. After the program, the adults will go caroling. Following the caroling, all are invited for coffee and cake at the home of Mr. and Mrs. Robert

ONLY THE **SERV** REFRIGERATOR STAYS SILENT, LASTS LONGER

Come see the famous Serval Gas Refrigerator—only refrigerator that stays silent, lasts longer. Its freezing system has no moving parts. Just a tiny gas flame does the work. Over 2,000,000 have Servels (many of them 18 and 20 years). They say, "Pick Serval. It stays noise-free, wear-free."

At the luncheon on Tuesday the ninth, Mrs. Marion Ross, 17209 Della, was elected to serve on the nominating committee of the Torrance Council PTA.

Glads news and sad news for Mr. and Mrs. Alex Bates, 17039 Glenburn! Mrs. Bates' son, Leroy Downing, who has been attending Southeastern State College at Durant, Okla., is coming to spend the holidays with his family. He has been recalled by the Navy and is to report February 1 at Oklahoma City.

Mrs. Surace's first graders won the cookie jar for having the most mothers at the PTA meeting, Wednesday the 13th. Sixteen mothers attended. Some very interesting and economical table decorations were shown by the hospitality chairman, Mrs. Jerry Bronson, 17229 Altkinson. The house made of sugar cakes was very unique.

The Home Nursing class conducted by Mrs. J. W. Beaman at Torrance High School on Monday and Thursday has attracted several women in our vicinity. Carmelita Streetmaker, Helen Isaacson, Janice Bates of Glenburn avenue and Trudy Jacobs of 2713 W. 154th. They report a most beneficial discussion on atomic explosions this week. Several classes are to be conducted in this area, and it is hoped that many will respond.

Do you remember Mr. and Mrs. Harry A. York who lived formerly at 17220 Elgar? Again the Yorks, including little Suzanne and Randy, have moved into our area. Their new address is 2635 West 175th, and they will be glad to receive visits from their old neighbors. Welcome back!

Little Eric Cortez played Santa Claus to some 14 of the smaller set on his fifth birthday this Tuesday. The table decorations were in the Christmas theme and Eric gave each guest a gift. A hilarious time was had by all. Eric is the son of Abaline Cortez, 17516 Ceris, publicity chairman of the North Torrance Civic Association.

Mrs. Judy Salzman and children Harry and Bonita from Phoenix, Arizona, are spending the holidays with Mrs. Salzman's sister, Mrs. Meyer Weiner of 17108 Glenburn avenue.

Mrs. Betty Johnson, 17219 Atkinson, leader of the Campfire Girls, took her troop of 15 girls to the Harbor Area Council at El Camino College on Monday, the 11th. The group offered baby rattles for the needy and as each group presented their collection, two girls turned on a light on the Christmas tree, signifying good-will and thus lighting the entire tree. A very impressive ceremony.

The Girl Scout troop of Mrs. Evelyn Holecek, 17033 Glenburn avenue, had a Christmas party for their mothers at Mrs. Holecek's home, Tuesday the 19th. The girls made cookies for refreshments and pot-holders for gifts. The mothers were both pleased and surprised.

May I wish you all a very Merry Christmas!

Fern PTA Cubs Receive Awards at Pack Meeting

Cub Scout Pack 728, sponsored by Fern Avenue PTA, was given a Christmas party at the Pack meeting Friday evening.

The meeting was called to order by Cubmaster R. D. Wollard. After the salute to the flag, led by Den 2, with the assistance of Den Chiefs Richard Malone, Dick Freeman and Pascual Tapia, awards were presented to the following:

Phillip School—bobcat pin; Charles Felix, Bobcat pin; Fidel Tapia, Lion badge; Robert Shears, Bear badge; Richard Connet, a gold and two silver arrows; Johnny Mouzakis, a one-year service star; Jerry Hickman, Wolf badge; Gerald Maddock, Wolf badge; Jack Wixom, Bear badge, a gold, and two silver arrows; Howard Wixom, Wolf badge, a gold and two silver arrows.

Den flags were awarded to each Den for participation in a successful paper drive. Cubs of Den 4 were given theater tickets as they already possess a Den flag. The Den Mothers were presented with service pins and certificates of appreciation by the Pack committee in recognition of their services.

Before the arrival of Santa Claus, the Cubs gave their parents Christmas gifts which they had made during the month at the Den meetings. Santa presented each boy with a Christmas stocking, an orange, and a gift.

Swedish PTA Representative Tells Views

Mrs. Isa Phillipson, general secretary of Central Organization of Parent-Teachers of Sweden, was a surprise guest at Tenth District PTA executive board meeting in session at Polytechnic High School, Wednesday.
