

MAKES DEBUT . . . Local automotive fans may see the sweeping changes in the new 1951 DeSoto line now on display at Thatcher and Ott, DeSoto, Plymouth Dealers, 1600 Cabrillo avenue. John Ott, manager of the new car agency, says many improvements have been made in the new '51's which have increased the distinctive and distinguished exterior and interior styling. The new cars have a high standard of riding comfort and convenience, exceptional safety features, and added power from a larger engine.
