

MAGIC MAN . . . Hacking away at the leg of a pretty assistant is Magician Bill Morton who will stage a magic show in the Civic Auditorium on April 14. The show is sponsored by the Torrance Lions Club in cooperation with merchants in the area.

Order of Arrow To Sponsor Ham Dinner March 18

The Order of the Arrow, Boy Scout national service organization, will sponsor its second annual public family dinner March 18 at the Torrance Legion hall, 1109 Border avenue.

Members of the Arrow were issued tickets Friday and have begun calling on friends and neighbors to aid them in meeting the Saturday sales deadline. Adult tickets sell for \$1.25 and children 95 cents.

President Vernon Greenhalgh appointed Mike Muirroe and Robert Paulus to head the ticket committee. At a recent business session of the Arrow.

Frank Delgado, who cooked at the National Jamboree held in Valley Forge last summer, will prepare ham dinners for an expected crowd of 500. Meals will be served from noon to 7 p.m.

Other business also was conducted at the Arrow gathering. Three official delegates were chosen to represent the harbor area at the Arrow regional conference March 16 through 18 at Barton Flats. They are Al Waterman, Jim Marron and Greenhalgh. Additional members are planning to attend. Cost is \$6. Special membership cards will

Lions' Club To Sponsor Free Show

On April 14, direct from Minneapolis, where the show played before 100,000 persons, the Torrance Lions Club will sponsor a free magic wonder show.

The event, to be staged in the Torrance Civic Auditorium, is being staged with the assistance of merchants in Torrance, WALTERIA, Harbor City and Lomita. Funds raised through the sale of tickets to merchants will be used to augment the welfare work of the local service clubs.

Featured in the show are spectacular mystery stunts such as "The Mad Doctor's Dream," "Fantasy of Flowers" and in addition the show will feature audience participation stunts, prizes, and a musical program.

Tickets for the show will be obtainable from various merchants in the area, according to Roy Peterson, show chairman.

Seats for the performance will be on a "first-come-first-served" basis.

be sent to members in service, Greenhalgh said.

A moment of silence was held for Arrow Scouter Robert (Uncle Bob) Smallwood, who died Thursday.

Walteria News Notes

By BETTY MITCHELL

Mr. and Mrs. Henry Snyder, of 4963 Newton street, had visitors from Toledo, Ohio, last week. The visitors were their son Charles and his wife, Naomi, and the Snyders' grandson, Charles Jr. The Snyders enjoyed the California weather a great deal, since it was 11 below zero when they left Toledo.

Mr. George Spaulding, Madison street, had a second bout with the flu last week. We hope this time his recovery may be permanent.

Mr. Jerry Ziske, stationed with the U. S. Army at Fort Knox, has a 12-day leave and has flown back to California to visit with his parents in Long Beach, and his brother, Robert, of 24232 Adolph street, Walteria.

monthly meeting at the home of Mrs. Edith Crowe, W 17th street, Wednesday, February 28. The group had a pleasant time playing buncó, after a very good pot-luck supper. Those attending the meeting were Lillian Getchel, Ada Flint, Edith Crowe, Lorine Harline, Effie Palmer, Bessie Slonecker, Ida Haun, Laura Sage and Mrs. Lawrence, all of Walteria, and Mrs. Phyllis Hamilton of Lomita.

Mr. Bud Corey and his family will be missed here in Walteria, since they moved to Dominguez last week. The Coreys had lived in Walteria for a number of years, and had made many friends during that time. Dominguez is near Long Beach.

Monday, March 5, was a day for celebration for Mrs. Nellie Mesh. When the mail arrived, she found a letter from her husband and enclosed a snapshot of him with some of his army buddies. Mr. Mesh is on active duty in Korea. So glad to hear such good news.

Also on the sick list for last week was Mrs. Marjorie Combs, whose smiling face was missed at the "Kirk's Chicken Pie Place," when she had to stay home with the flu.

Mrs. Fay Lynch is pinch-hitting for Mr. Gordon in the Gordon Market, Pacific Coast Highway, while Mr. Gordon is home ill. Hope he soon recovers.

The Pennys of Hawthorne boulevard have been very ambitious lately. They have built a small additional structure in back of the barber shop and have also completed a cement patio and lattice work along with cement sidewalks in the back by the Beauty Salon.

Little Arleen Dailey, Winlock road, celebrated her birthday on Saturday, February 24, with two little friends, Kathy and Patty Turner. This was Arleen's ninth birthday.

Walteria had good reason to be proud of another of its residents last week, when Peter Potter's program on Wednesday, February 28, presented a song written by Jimmy Whitmer Sr. The song, "Will Ya, Won't Ya; Do Ya, Don't Ya," was acclaimed first by the audience appreciation score. Congratulations Jimmy!

Mr. and Mrs. T. M. Kirk of Pacific Coast Highway spent Wednesday, February 28, visiting with Mr. and Mrs. Charles Thomas of Compton.

Congratulations are also in order for Mr. and Mrs. Jack Lund, Neece avenue. It seems the stork left a bundle with their name on it at the San Pedro Hospital on Monday, February 26. The boy weighed in at six pounds, two ounces.

The Fidelis Club held their
