

Local Employment Experts Cite City's Job Records

The recent appearance of two Torrance employment experts on Mark Breneman's Employment Review Show over Radio Station KFAC served to pinpoint the growing emphasis given to the industrial importance of the city.

Appearing on Breneman's program were Mrs. Winona Ellis, manager of the Torrance branch of the California Department of Employment, and Dave Soule, industrial relations superintendent for National Supply.

Mrs. Ellis and Soule each explained how their offices fit the job seeker to the job. Mrs. Ellis also reported that the employment picture in Torrance was good. She cited the fact that

Torrance has about 210 major market employers that is, employers of 20 or more and added that about 10 of the city's leading industries employ from 1000 to 1500 each.

Soule outlined the types of work offered at National Supply and the methods used to se-

Graduate to Advisors

Having reached their 18th birthdays, Nalbro Miller and Wanda Holman, formerly a captain and a sergeant, respectively, in the Torrance Auxiliary Police, have been made junior advisors to the group. Their appointments were made at the last regular meeting of the TAPs, held on March 14.

FHA'S START

The Federal Housing Administration was established in 1934. It is a government agency that helps men and women for employment at National.

The program is a regular feature of KFAC in cooperation with the California Department of Employment.

Kettler Kapers

Let's hope that in this Easter week the flu bug will be chased away. We'd like to see all the tiny tots on up to "Pa" and "Ma" dressed up on Sunday for the Easter parade.

Recent Houseguests of Al and Beulah Fredrickson and family of 1965 Reynosa drive were their relatives Mr. and Mrs. Fredrickson and Freddy of Devils Lake, North Dakota, and Mrs. Laura Fredrickson, of Thief River Falls, Minn. They

visited here for two weeks and enjoyed every minute of it. The Fredricksons with Mrs. Al Beulah, Fredrickson showing them the sights, particularly enjoyed a trip to Tijuana.

A very enjoyable meeting of Circle 7, W.S.C., was held March 13, Tuesday evening at the home of Mrs. Margaret Beaver, 2122 Middlebrook road. Co-hostess was Mrs. Carmen Nielsen. Mrs. Viola Gore, chairman, presided with Mrs. Jerry Withycombe giving the devotionals. Visitors were Mrs. Jean Loy and Mrs. Mary Cummings. The hostesses served delicious refreshments.

Last Saturday marked the beginning of a three weeks vacation trip to Mexico City for Jerry and Jim Withycombe and daughter, Virginia Lee, of 23033 Huber street. Their young son, Jay, stayed behind with friends. Anxiously awaiting their return are their many friends who are dying to hear how the travelers made out with our amigos down Mexico way. Hasta la vista!!!

Best of luck to Mrs. Ruth Ruttan, of 1983 Reynosa drive, who has graciously accepted the post of production chairman of the Torrance branch, American National Red Cross. Already she has been able to contact many women who are eager to assist her in her new duties. But that's not all—beginning the 29th of March she will attend a Red Cross instructors class in Los Angeles. Upon completion of this course she will teach first aid at Harbor General Hospital.

Saturday, March 17, marked the birthday of little Jan Eckersley and she's now reached the age of two years. Her mother, Mrs. I. L. Eckersley and grandmother Mrs. J. W. Lie-Van, all of Reynosa drive, assisted with party preparations with the children all gathered around the lunch table in the backyard of the Eckersleys home for cake and ice cream following the games. Bidden to Jan's party were Johnny and Connie Phillips, Martha and Linda Member, Donna and Butchy Prince, Arlene Clark, Bonnie Leatherman and Jan's sister, Jill.

Congratulations to Paul and Merle Drury, of 2055 Middlebrook road, for they now have a lovely little daughter who was born March 2. Her name is Marilyn Jo and she was born at San Pedro Community Hospital weighing 8 pounds, 9 ounces. Robert Drury, 3 1/2 years old, is the "big brother." Grandparents are Mr. and Mrs. C. A. Drury and Mr. and Mrs. J. J. Lovell, all of Torrance. "Father" is employed by the City of Torrance.

Mrs. Viola Gorte of Falena avenue honored her daughter Joyce on her seventh birthday last Saturday with a lovely party at their home. An Easter egg hunt highlighted the afternoon of fun with Bonnie Stanton and Joyce winning. The Easter bunny as a prize. Traditional refreshments were enjoyed and gifts presented to Joyce by Trudy and Jerry Eddy, Carolyn Davis, Bonnie and Leslie Stanton, Corky Prailly, Kenny Holmes, Jeff Eyrich, Rosemary and Linda Blakely, Ronnie Gowin. Joyce's brother Jimmy, all of Torrance; Bonnie and Mary White of San Pedro, Gregory White of Gardena, grandparents Mr. and Mrs. Harold White Sr. of San Pedro, Mrs. Blakely and Mrs. Gowin of Torrance, Mrs. Harold White Jr. of Gardena, Patty Friend was ill and unable to attend.

Have a bit of news about Guy and Katherine DeWitt formerly of 23304 Huber street—as you know Guy is in the Navy as a TMT second class, and has been stationed in San Diego, where Katherine and their daughter Diane are now living. As of last Saturday Guy, who is based on board a submarine, went to Vallejo for a family of undisclosed nature. While they're away, Mr. and Mrs. Robert Rojo and son Robin are residing in the DeWitt home. In fact, they have been for some time, but we're just catching up.

Mrs. Betty McGuire of 1811 Marinette street, will be hostess this evening to a group of neighbors. This is the second get-together for the girls, who have arranged this one evening a month to get acquainted with each other. They met a month ago at the home of Mrs. Lou Trezise of Marinette street, with everyone enjoying herself so much that they have decided to do this once a month. Have a good time tonight, gals!

CARMEN AND JAY NIELSEN and son Keith were guests at the home of Mr. and Mrs.

Supervisors Seek Means To Improve Normandie

The Board of Supervisors recently instructed County Counsel Harold Kennedy to obtain permission from the public Utilities Commission for opening of Normandie avenue, over the El Segundo line of the Pacific Electric Railway.

Supervisor Raymond V. Darby disclosed that this was in keeping with plans for widening and extending of Normandie from Imperial to Rosecrans.

The improvement comprises construction of a four-lane highway with eight feet of paved shoulders, making a total of 60 feet in width.

Plans and specifications for the improvement are almost complete. Darby said that advertisements for bids will be published as soon as all rights of way are acquired.
