Final details of the 1951 Educational and Sales Conference scheduled for local realtors on Tuesday, April 3, were approved at a meeting held recently in the office of W. E. Bowen, regional vice-president of the California Real Estate Association.

Members of the Torrance-Lomita Realty Board as well as those from Inglewood, Hawthorne, San Pedro, and Redondo Beach were in attendance for the session with Jack Pointius, educational director of the state association, and Bob Clayton, a member of the local board's educational committee.

C. J. "Paddy" Ryan, president of the Torrance-Lomita Board, headed a group of local realtors attending the meeting, including Perry Connett, secretary, and Chris Sorenson, public relations chairman of the bi-city board.

A "considerable number" of local realtors is expected to attend the one-day conference to be held in Inglewood. The conference will stress the problems facing the realty market today, said Ryan. How the realtor can better serve the public will also be studied.

Newcomers to California are warned that they may be required to file state income tax returns. Thomas H. Kuchel, chairman of the Franchise Tax Board, advises that individuals who are in California for other than temporary or transitory purposes are considered to be residents of this state and are required to file returns if their net incomes for the year 1950 equal or exceed \$2000 if single, and \$3500 if married.

Those who are uncertain of their residential status may have the situation clarified by visiting the office of the Franchise Tax Board at 308 Heartwell building, 19 Pine avenue, Long Beach 2, California.

**Walteria News Notes**  
By BETTY MITCHELL

Easter was really a joyful time for the Walteria children when they attended the mammoth Easter egg hunt held by the Torrance Recreation Department at 12:30, Saturday, March 24, at the recreation park. Over 200 children attended the affair, which was certainly a huge success. The excellent supervision was given by Mr. Frank H. Carpenter, head of the recreation department; Mr. Charles E. Wallace, director of the recreation program here in Walteria; and Mr. J. A. Beasley. Among the children winning prizes were Pat Burke, Lani L. Antonovich, and Casey Fitzpatrick.

A lovely Easter Sunrise Service held in the park on Sunday was also quite a success. Mr. Bill Ferguson, who was chairman of the affair, was highly grateful for all the cooperation he was given by both the churches and the Men's Business Club. The Men's Club furnished free coffee after the service.

Miss Barbara Jane Kirk was a charming, though small, guest when she spent all last week with her grandparents, Mr. and Mrs. T. M. Kirk of Pacific Coast Highway.

Mr. Harline of Los Codona has been on a long trip for two weeks as she went to the northern part of the state to visit her daughter and son-in-law, Mr. and Mrs. Johnny Walker, and family, and then journeyed on to Salt Lake City.

A Community Methodist church has been organized here in Walteria by several interested residents. First service was held on Easter Day in the Recreation Hall. Rev. C. E. Miller of Torrance has been assisting in the members. A Sunday school has been organized to meet regularly at 9:45 a.m.

The Gordons of Pacific Coast Highway, made use of local facilities, and held a family picnic at Torrance park on Sunday. That's one way to avoid most of the heavy traffic found on highways.

Our deepest sympathy is extended to Mr. and Mrs. Pat Stewart, Danaha street, upon the loss of their daughter born Tuesday, March 20.

Gathering at the neighbors on Sunday morning were Mr. and Mrs. Bert Beers, Newton street, and Mr. and Mrs. William Mitchell, Danaha street, when they met at the home of Mr. and Mrs. Paul Bowen for Easter breakfast. After the hearty and enjoyable meal, the group went to church in Torrance together.

Mr. and Mrs. B. P. Pendleton visited their son, Jim Watson and family, in Hollywood Sunday, March 25. The Pendletons live on Hawthorne boulevard.

Mr. Wingate, Newton street, was certainly glad to say hello to sunny California when he returned from a trip east last week. He was snow bound by blizzard several days in Wyoming.

Mr. and Mrs. R. M. Harrison, Los Codona avenue, were Sunday visitors at the home of Mrs. Harrison's son, Gordon Batezell and family in Alhambra.

The Bruce Howays, Winlock drive, returned Monday from a week long trip to San Francisco where they visited friends.

Also visiting in San Francisco was Mrs. Nellie Mesh, Neece street, who was visiting her son over the Easter week-end.

Newlyweds were entertained this week at the home of Mrs. Laura Wray, Neece street. She was visited by Mr. and Mrs. David Quigley from Boron, Calif. Mr. Quigley is in the U.S. Navy and expects to be sent overseas in the near future.

Mrs. Marie Cunningham, formerly of Danaha street, is returning with her son, Jimmy to take up residence in Walteria again. Her husband, Capt. Henry Cunningham, will soon be sent to Japan. The Cunninghams resided at Camp Cooke after selling their property here.

Guests at the home of Mr. and Mrs. McFarland, Danaha street are Mr. and Mrs. J. W. Peacock from Kent County, Maryland. Mrs. Peacock is Mr. McFarland's mother. The couple are greatly enjoying our warm, sunny weather. They will be here several days.

A church service will be held in the Recreation Park at 11 a.m. Easter Sunday for all residents who wish to attend. The service is sponsored by the Methodist Church.
