ed 115 pints of blood.
SENT OVERSEAS
Of the 16,289 pints of blood collected in the county during February, 6882 pints went to hospitals in the area and 9407 pints were sent to the armed forces overseas.
That leaves no backlog for you and me.
If you would like to start your own account with the blood bank now, call Torrance 1524 for an appointment for tomorrow's visit of the Bloodmobile.

Reflections

Clean It Up!

By J. Hugh Sherley, Jr.
Everybody can see our homes every body evaluates us individually on the appearance of our surroundings.
Our home may be modest or pretentious, on a street without sidewalks or curbs, on an avenue of luxurious homes; regardless of its location a home is the mirror of its owner. Fresh paint will make it shine.

A yard is a frame for a home. Colorful flowers lend beauty. Seeds are the least of our expense and pay the highest dividends. There's something about a yard of beautiful flowers that proclaims the owner as being a good citizen, a person who appreciates the finer things of life.
Clean up the vacant lot next door; cans, bottles and trash detract from your property; clean it up. When you go on a picnic, leave your space as clean as you would want to find it.
This is Clean Up Week. They won't do it for us. They will judge us as we must judge them — by outward appearance. Start the ball rolling by cleaning up your own premises; they will follow you.

Queen Race

Continued from Page 1
The Coronation Ball to be held in the Civic Auditorium Saturday night. Sam Levy, chairman of the YWCA building committee, will act as emcee.
Purpose of the contest, the fifth such contest staged and sponsored by the Junior Woman's Club, is to raise funds to complete the YWCA building now under construction at Plaza del Amo and Carson street. Earlier contests had netted \$11,560.
In addition to the crown, her majesty will receive several hundreds of dollars in prizes. The other six contestants will receive prizes according to the order in which they finish the queen race.
Neck and neck at the close of last week's report period were Pat Merola in the number one spot, but only by 255 votes over Zola Bellwood. Others in the race, according to their standings, were Sandy Gulbranson, Donna Fuller, Dorothy Sandstrom, Shirley York and Alice Gargalis.
The public is invited to attend the Coronation Ball and dance to Debby Clair, popular songstress, leading her band of masculine music makers. Donations of \$1.50 from adults and 50 cents from teenagers will help the building fund effort and permit admittance to the dance.
The coronation ball is under the chairmanship of Mrs. J. A. Barrington.
Miss Mary Schultz has guided the contest during the past six weeks in pursuit of her duties as chairman of the 1951 Queen Contest.
As of the last published report on Tuesday, March 27, the Juniors had raised \$1,543.33 in this year's contest.

Rites Tomorrow For Late Pastor

Continued from Page 1
both of Los Angeles, have suggested that those intending to send flowers may wish to subscribe instead to a memorial chapel fund of the Torrance First Christian Church or the Torrance YMCA in which he had always been active.
His body will lie in state at Stone and Myers mortuary today and tomorrow. At 2 p.m., Rev. Cecil J. England, present pastor of the First Christian Church, will read the rites which Rev. Lingenfelter had himself read for so many. Interment in Inglewood Park Cemetery will follow the local services.
CHARTER ROTARIAN
Among the many persons who will attend the rites are members of the Torrance Rotary Club of which he was a charter member. It was Rev. Lingenfelter who is credited with starting the "kitty" into which went fines levied upon fellow members. These funds have provided milk for underprivileged children—a personal project of the late pastor.
He was a member of the Summit View Lodge of Free and Accepted Masons of Butte, Mont.
The late minister was born December 18, 1885 in Allendale, Worth County, Missouri. He graduated from Stanberry Normal School and later from Drake University in 1894.
In June of 1888 he married Henrietta Kennedy who passed away in December of 1941.
OTHER PASTORATES
Before coming to Torrance he held three pastorates in Washington, and one in Butte, Mont.
Besides Mrs. Engle and Mrs. Thompson, he is survived by two other daughters, Mrs. Martha L. Farman of Arlington, Va., and Mrs. Ruth Jurich of Tacoma, Wash.; and a son, Dr. John S. Lingenfelter, of Seattle, Wash.
Surviving also is a sister, Mrs. J. C. Iverson of Des Moines, Iowa, and nine grandchildren and six great grandchildren.

POMONA AGAIN

Los Angeles County Fair will be held as scheduled this fall in its big exposition park in Pomona.

Aunt of Rolling Hills Man Dies

Funeral services for Angelina M. Wilson, 57, of 21703 Buelskin lane, Rolling Hills, were held Saturday morning in the Stone and Myers chapel. Private cremation services at Inglewood Park Crematory followed the last rites conducted here by Rev. Richard A. Dawson, pastor of the Falos Verdes Neighborhood Church.
Death came March 28 to the native of Pennsylvania, who had been in Torrance only a short while. She was staying with her nephew, William R. Patterson, of the Rolling Hills address.
Surviving were four sisters of New York and Pennsylvania, and a granddaughter of New York City.

Annexation

Continued on Page 2
dress would be Alondra Park, Gardena, California.
Councilmen Willys G. Blount and Ed Karlow told the directors that the council had no intention of proceeding with the annexation until they, too, had all the facts. Hearings on the matter were also in order before the annexation move, they indicated.

National Opens Gates To Host 250 During Tour

The National Supply Company on May 1 will host representatives from nearly all of the industries in Southern California from San Diego to Santa Monica, when the company opens its gates to 250 members of Southland management and foreman clubs.
Fred Mills, company treasurer and in charge of the tour, has timed the event so that the visitors will witness actual pouring of molten steel. To be seen by the visitors also are the giant lathes capable of drilling holes in steel 45-foot long.
During their tour of the plant the visitors will see a full-color sound film produced by the Superior Oil Company and showing the locally made oil drilling rig, the famous "160," spinning a well casing in the world's deepest well.
Following the tour the group will attend a dinner-business meeting at the Palos Verdes Country Club. George Ford, vice president of Joyce, Inc. of Pasadena, with a panel of speakers will discuss the problem of supervisor training under emergency conditions.

Mothers Ask Perry School Improvements

Pointing out certain shortcomings of the Ferry Elementary School, a group of seven mothers Tuesday night asked the board to take steps to correct the conditions.
The mothers complained to the board of poor ventilation in the auditorium and claimed that the poor ventilation was the reason the PTA discontinued meeting there.
Also, asked for more doors to provide more privacy in the lavatories, and window screens on the classrooms.
They charged that the school officials permitted children to smoke on the playground.
Appearing before the board were Mesdames H. L. McGeachy, James H. Russell, Cramer Gleason, A. L. MacKenzie, E. Ward, D. Barro and Glen Runsted.
The board informed the mothers that the matters would receive immediate investigation.

Suggests Board Increase Ranks

Sitting for the first time as chairman of the Board and president of the Torrance Chamber of Commerce, Henry W. Creeger asked the board Monday afternoon to consider increasing the number of directors to 15, or possibly 21.
With the present board limited to nine members, I do not feel that we have a wide enough representation of our community on the board," Creeger commented.
The new president suggested that the board members consider the proposal and bring the matter up at the next meeting for additional discussion.

Pacific Electric Workers Receive 12-Cent Raise

A wage increase of 12 1/2 cents per hour for 2500 non-operating Pacific Electric employees, effective February 1, 1951, was announced yesterday by the company, and representatives of eight unions. The annual payroll increase for Pacific Electric will amount to \$700,000.
In addition, a cost of living agreement providing a pay increase of one cent per hour for each point increase in the Cost-of-Living Index, effective April 1, 1951, was approved. A payroll increase of \$50,000 annually for each one-cent wage hike will result.
The eight unions represent clerks, signalmen, agents, maintenance of way, shopcrafts, dispatchers, electrical maintenance,

and sub-station operators.
Last October, Pacific Electric granted an 11-cent an hour (30¢) boost for 2000 employees in an agreement with the Brotherhood of Railroad Trainmen.
Pacific Electric has a record of 32 years without a strike against the company as a result of a dispute between the company and labor representatives.

HELP
71 years of unbroken service to needy humanity is the proud record of the Salvation Army. It serves veteran and non-veteran alike, without regard to race or creed.
Used clothing, shoes, furniture, home appliances, radios, bedding, dishes, newspapers, magazines and miscellaneous articles are needed urgently by the Salvation Army's Social Service Department to carry on its program of rehabilitation.
Discards which you donated last year enabled the Social Service Center serving this area to provide 228,000 hours of work therapy, 51,750 wholesome meals, 18,565 warm beds and financial assistance to needy and handicapped men.
