Don't forget the Torrance Jaycee dance tomorrow night at the Riviera Clubhouse! Dancing will start around 8 p.m. with Les Tronier's orchestra all ready with the latest hit-tunes for your enjoyment. Tickets may be purchased at the door, of course!

A very lovely and enjoyable anticipation shower was given in honor of Mrs. Jean Loy last Thursday evening at the home of Mrs. Margaret Beaver of Middlebrook road. Hostesses were Mrs. Beaver, Mrs. Carmen Nielsen, and Mrs. Camilla Helphand. Bingo was the diversion for the evening with prizes won by Mesdames Lillian Johnston, Betty Ewaldt and Madeline Wayt. Mrs. Loy opened her many beautiful gifts for the heir-to-be, hence the hostesses served delicious refreshments. Guests included Mesdames Alberta Winkler, Jerry Withycombe, Iris Duncan, Gloria Hixson, Reta Wyckoff, Mary Cummings, Arlene Lefler, Bette Morehead, Goody Fischer, Mary Ritchie, Polly Fuller, Jo Devenish, Virginia Jones, Ella Lefler, Eileen Blahnik, Miriam Wassenberg, Betty Ewaldt,

Madeline Wayt and Lillian Johnston.

A big welcome home to Miss Shirley Kissel who arrived this week from Columbus, Ohio, where she had been visiting relatives since last July. If you'll remember she was the gal in the train wreck we read about last July. She's going to make her home with her mother and family, Mrs. Marie Townsend, of 23038 Huber street. Also she will enroll in Torrance High School.

Mr. and Mrs. T. C. Hamj and Mr. and Mrs. William Deane, both of Middlebrook road, enjoyed a trip last Sunday to Buena Vista Lake near Bakersfield, pursuing their hobby of collecting Indian relics and minerals. At this lake are some Indian burial grounds and the foursome excavated about 150 Indian beads for their collection.

A very interesting outing indeed, don't you think?

The Charles Phillips of 1847 Santa Fe street, were an unhappy family last week in the loss of their dog, and we don't blame

them. The dog fell into an oil and gasoline sump, crawled home only to be in such misery that nothing could be done for it. The sump is behind Santa Fe street. Perhaps the rest of the families don't know about it. There should be a fence surrounding all sumps and holes. We don't want to lose our children too.

According to a recent publication of First Aid Classes, the latest class to commence was Tuesday April 16 at 7:30 p.m., room 104 of the high school. Lt. Bill Stidham will teach this class and perhaps next Tuesday you may still enroll. This is under the sponsorship of Torrance Adult School and upon completion of this class you will receive your Red Cross certificate.

Little Diane Jones, of 2054 Reynosa drive, enjoyed a small party on her third birthday last Saturday. Her guests included her cousins J. P. and Bobby Rex of San Pedro, Evan Jones and Susan Sharon, her brother Gordie all of Torrance, her grandmothers, Mrs. Margaret Jones and Mrs. O. M. Ebersold and an aunt, Miss Mary Jones. Traditional cake, ice cream and punch were enjoyed.

This Saturday will be a magic one at the Civic Auditorium where the Lions Club are sponsoring a free Magic, Wonder

Show. Slated to appear is Bill Morton, a very clever magician and illusionist with his bag of tricks.

Sounds good—let's go!

Heard of a good spot for fishing that many enthusiasts would like to know about. Walter West of Reynosa drive, Robert Moffitt and his son John Moffitt, of Arlington Street, spent last weekend at San Vicente where they fished to their hearts content. It's such a good place to fish that most of the Torrance City Employees were there and the lake is only open on weekends and holidays, so grab your hat and fishing gear, bud!

Mrs. D. May, who has been visiting with her daughter, Mrs. Carolyn Chandler of Falena street departed last Sunday for Weatherford, Texas. Mrs. May's home, Mrs. Chandler will return in two weeks.

Here's a Note to all you folks—your news is always welcome, so please phone—the number's Lomita 1256-J. Birthday parties, guests, any kind of parties, servicemen especially—let's hear a word about them!
