

BEACHY KEEN . . . Who ever coined the phrase "Flattery will get you nowhere" certainly did not know about Joyce Holden who is pictured wearing this Gantner suit labeled "Flattery" by the makers. Joyce may be seen in U. I.'s "Target Unknown" while the suit may be seen on display at the Gay Shop, exclusive Torrance Gantner representative.

Three Ceramics Classes Open To All Adults

A wide variety of free adult ceramics classes, open to all regardless of residence, are now receiving enrollments for new students. Sponsored by the Torrance School of Adult Education, classes are held in three locations.

At Torrance High School on Monday and Thursday nights at 6:45 the class is held in room 201. At the North Torrance Elementary School (four blocks east of Crenshaw boulevard and 174th street) the class is held on Wednesday nights. At Seaside Elementary School (in Seaside Ranchos) off of Highway 101 in Torrance, the class is held each Tuesday night. It is at this latter class that a giant kiln is in operation for the benefit of students who desire to complete their own work.

Both beginning and advanced students are welcome to attend these free classes and all will be welcome. Instruction is based on the individual project of the student. Those with ideas of their own are encouraged to carry them out; others will receive help from instructor Clifford Insee and will work with other students in the class.

The art of ceramics requires little previous background or skill but only the desire to find a new outlet for creative talent. Products that can be made include flower vases, candy dishes, cups, saucers, dinnerware sets, figurines, lamp bases and ornaments.

Students are requested to attend the next regular meeting of the class to register, and are invited to telephone Torrance 646 for further information, or to appear at the Adult Education office of the Torrance High School.

Riviera First To Top 1951 Red Cross Quota

Residents of the Riviera district became the first group in Torrance to top the 1951 Red Cross goal set for their area when they reported this week collections totaling 116 per cent of their quota.

Lee Kendall, South Bay General Chairman, reported that 24 volunteer workers making repeated callsback turned in donations from 315 individual subscribers. This represented a 396 per cent dollar increase over last year.

Success of the Riviera effort was due largely to the efforts of Walker Garrabrant, chairman, and Mrs. James Ross, Mrs. Richard Capron, and Mrs. Ross Darssett, the three majors in the area who supervised the activities of the volunteer workers, Kendall claims.

ONE FIFTH ARE THIRTY

Of a total of 724 regular day students currently enrolled at Harbor Junior College, 154 or 20 per cent are thirty years of age or over according to a recent survey taken by the local college administration.
