

### Junior Red Cross Seeks To Raise Funds in Drive

Torrance High School students are trying to do their bit to put Torrance over the top in the current Red Cross fund campaign, according to Roger Wright, chairman of the school drive.

Sponsored by the Junior Red Cross chapter at school, the students are attempting to raise their quota of \$225.

"Like the other campaigns, ours has been a little slow," Roger told The Herald this week. The students are planning several activities in an effort to raise funds, he reported.

### Hi-Lites Of Seaside Heights

By GRACE RYCKMAN AND MERLE HOLSTIN  
 Frontier 5-3718

We would like to start our column this week by expressing regret that Mr. and Mrs. William E. King Jr. have moved. Mr. King, associated with the Torrance Herald, has been 80 kind in the past months, taking our column to the Herald office each week. But it goes deeper than that, both of the Kings were fine neighbors, and we'll miss them.

The mother of Mrs. Isabel Phillips, of Santa Monica, was a recent and welcome visitor at the Phillips' home, MacAfee Road.

We understand Craig Slater had his cast removed last week. Not having time to check, we can not say for sure but we certainly hope it is true.

Easter Sunday will remain a memorable day to the Joe Johnson's of Binevald Road. Again they went to Camp Cooke for the day. This time they took Mrs. Peg Pacifico for the last time before he left for Japan. The visit was pleasant, the day was beautiful, but a quiet sadness prevailed. We sincerely hope, with Joe and Esther, that

your separation is a short one, Peg.

Mr. and Mrs. Peter Jurisch had guests for dinner last Saturday night. From the description of the food we wish we had been the guests, Hint?

The three Brown children of Upper Zakon Road had one big birthday party last Saturday afternoon. Their birth dates were so near each other that they celebrated together. A belated, happy birthday to you, Bobby (age 3), Ellen (age 2), and Baby Margaret (age 1).

Passing on a tip we got recently: To keep cut flowers fresh longer, cut stem diagonally so more water can be absorbed by flower; and do the cutting after the sun has set, or very early in the morning. Happy bouquets.

The Girl Scouts, of Troop 1055 went swimming at the Hermosa Biltmore Hotel. They were accompanied by Misses Johnson, Hanover, Parent, and Merola. Seems it will be a once a month affair if the parents of the girls will cooperate.

### OPTOMETRIST TO OPEN NEW SUITE OF OFFICES

Specializing in vision analysis and vision training, Dr. Allen Pyeatt, local optometrist, opened a new suite of offices Monday morning at 1439 Marcelina avenue.

For the past two years Dr. Pyeatt has been associated with Dr. Alden Smith with offices on Cabrillo avenue.

Dr. Pyeatt is a graduate of the Los Angeles College of Optometry, an affiliate of the University of Southern California. Following his completion of training at the near-by college, Dr. Pyeatt returned to Texas, his native state, to practice optometry. He returned to California to become an associate of Dr. Smith. He also attended Texas A&M and North Texas State College.

DR. ALLEN PYEATT Opens New Offices

He was for three and a half years attached to the U.S. Army Medical Department.

He will give special attention to the fitting of the new corneal type glasses. These newer type seeing aids are the latest in contact lenses and require no fluid as in older types of contact lenses. They are nearly impossible to detect, Dr. Pyeatt said.

Fraternally Dr. Pyeatt is president of the Torrance Optometrist Club and a member of the local Toastmasters Club. He is a member of the Torrance First Methodist Church.

### Special Summer Classes Announced by University

A series of special programs for veterans, teachers, and high school graduates planning to enter college are announced for the University of Southern California Summer Session. The six and ten-week terms will begin June 25 and the four-week period on August 6, according to Dr. John D. Cooke, director.

### Ex-Tartar Expecting Sea Duty Parents Say

Expecting to be assigned to sea duty, Harold Chapman, 18, a graduate of Torrance High School in 1950, returned to the San Diego Naval Training Center yesterday to complete a 14-day "boot" leave, according to his parents.

The local navy man is the son of Mr. and Mrs. Harry Beeson, 1319 West Carson street.

### George Powell Named Governor Of Local Moose

George Powell, the city's assistant director of civilian defense, was elected Governor of the Torrance Lodge 785 of the Loyal Order of the Moose last Monday evening. He succeeds Danny Desmond who will become Junior Past Governor.

Elected to the post of Junior Governor was Stanley Heiman, while Frank Bell was named prelate, O. W. Sawyer treasurer, and Henry Blackburn a three-year trustee.

The new officers will be installed in a public meeting at the Moose Hall on Carson street Sunday afternoon, April 29. The installation ceremonies will begin at 2 p.m.

### Bill Carstens In Concert

William W. Carstens, son of Mr. and Mrs. C. E. Carstens, 1452 Post avenue, took part in the annual Occidental College Cappella Choir concert presented last night. Olaf Frodsham directed while David Craighhead served as accompanist.

Carstens, a tenor, is a graduate of Torrance High, where he was president of the senior class and active in athletics. He is a junior at Occidental and president of his class, member of Kappa Sigma fraternity, and president of the Interfraternity Council.

### ROACH TO FIGHT POLO

Re-acceptance by Leonard J. Roach, member of the Board of Supervisors, as Los Angeles County Chairman in the \$300,000 May campaign of the Sister Elizabeth Kenny Foundation has been announced by Superior Judge George A. Dockweiler, Foundation president.
