

**This may be
tomorrow's
lifeline
for millions!**

If the worst *should* happen . . . if America *should* be attacked . . . if atom-bombs *should* fall with all their fury . . . would there be enough blood available for the millions who would need it?

The answer must be yes . . . and in time it *can* be yes . . . if you help *now* through your Red Cross.

Your Red Cross has been given the responsibility for planning, operating, and coordinating a nationwide blood program for the armed forces and for civil defense.

Money, as well as blood, is needed. Won't you *give*, and give generously, through your Red Cross?

Mobilize for defense **+** *give now!*
